SIX-CAR DERAILMENT of an Illinois Central Gulf coal train which occurred shortly after 10 a. m. yesterday approximately one-third of a mile north of the 25th Street rail crossing. The last five loaded coal cars of the train jumped the tracks and rolled off

of the tracks away from Nameoki Drive. The caboose became uncoupled during the derailment and remained upright slightly off the tracks. Two switchmen were riding in the caboose at the time of the incident. Cause of the derailment is undetermined.

## Education, other funds in 'squeeze'

By GARY SCHNEIDER

Press-Record Staff Writer

Due to a decrease in the assessed valuation of property in the Granite City School District, the tax rate will be higher than had been projected previously, the school board was told Tuesday night.

Tully A. Heubner, director of business affairs, told the board that declining assessments will cause the tax rate for schools to be \$3.80 per \$100 assessed valuation, which is 23.9 cents higher than the tax rate of \$3.561 on which taxes were collected last summer.

The \$3.80 rate is about 3.53 cents higher than the \$3.764 rate projected when the budget was adopted in September.

The cause is a decrease in assessed valuation from \$22,509,074 to \$22,024,061, a decline of \$484,983 between 1976 and 1977.

The budget was prepared on the expectation that the assessed valuation would climb to \$245 million, Heubner explained. A reassessment program in which many assessments are being decreased is primarily blamed for the loss.

The decreased assessment will cause shortages totaling \$40,095 from the total budgeted, including \$30,868 in the educational fund, \$48,660 in the building fund, \$15,571 in the transportation fund, \$6,488 in the working cash fund, and \$6,488 in the life safety fund, Heubner stated.

However, the amount of money the district will receive will increase \$55,001 over the taxes collected last summer.

Due to increases in several funds and two new funds.

The new funds are the life safety and working cash funds which carry a 5-cent tax rate each, accounting for 10-cents of the tax rate increase. Together, they will raise about \$22,024.

There also will be increases in the tax rate for the debt retirement and municipal retirement funds amounting to a total of 3.53 cents.

The rates for the education fund and building fund will increase to their legal maximums, causing a further increase. A total rate of \$2.466 per \$100 assessed valuation was levied last year for the educational fund and it will rise to the legal maximum of \$2.55 for this summer's collections.

This will increase the income to the educational fund from \$5,738,325 in the 1976-77 year, to a projected \$5,916,612 this year, a \$178,287 jump.

The building fund levy is projected to rise \$26,882 to \$870,000 and the transportation fund levy will increase from \$270,175 to \$287,420, or \$8,254 more, it is anticipated.

Despite the increases in income, the district is still expected to have "rough going," since the anticipated income from taxation will not support

## Finish Line — not yet finished

The Finish Line Express horse race messenger service offices in Granite City and Venice reopened Monday and Granite City immediately took action to outlaw horse racing in the city.

The office in Granite City remained open this morning, but only because no customers have been seen in it, Lt. Col. George Teller stated today.

While Granite City police are attempting to prevent horse racing betting here, Venice police are following the advice of Madison County State's Attorney Nicholas G. Byron to wait for instructions.

Byron told the Press-Record today that several members of his staff have been assigned to study the whole issue and he will be issuing instructions as soon as his office receives a copy of the First Appellate Court ruling which overturned a state ban on off-track messenger services.

"I don't want to comment on Granite City's ordinance, but I hope soon to have my own battle plan using the criminal codes of the state of Illinois," Byron stated.

Tuesday night the Granite City Council passed an ordinance which stated, "It is unlawful for any person, firm or corporation to accept any wage or bet on any horse race, which person, firm or corporation thereafter places or intends to place said wage or bet at an authorized race track, irrespective of whether a fee is charged."

The ordinance also stated, "It is unlawful for any person, firm or corporation to knowingly own or possess any book, instrument or apparatus by means of which bets or wagers have been, or are recorded or registered." It also bans possession of "any

## Madison schools end treasurer pay

The Madison School Board elected Elvers Johnson, a board member, to serve as school treasurer at no salary during a special meeting Tuesday night.

The vote was five to one in favor, with Johnson abstaining and Board Member Paul Bargiel casting the negative vote.

Bargiel would make no comment on his vote. Johnson replaces Ray Kozielek, who has served as treasurer since the 1960's. The salary of the treasurer has been \$200 per month.

In the matter of a school attorney, a long discussion developed and several votes

were taken. The names of attorneys John Papa and William Kinder were presented. Kinder is the current school attorney.

A motion to hire Papa ended in a three to three tie with Mrs. Billie Bosworth abstaining.

Voting for Papa were Sam Dymas, Bargiel and Richard

Zeisset; voting against Papa were Frank Eaves, Chester McManaway and Johnson. When the motion was made to rehire Kinder the vote again was three to three with Mrs. Bosworth again not voting.

Voting for Kinder were McManaway, Eaves and Johnson. Voting against Kinder

were Dymas, Bargiel and Zeisset. When a motion was made to table the hiring of an attorney the entire board voted no.

It was then suggested to retain both Papa and Kinder at a \$50 hourly rate as needed, rather than on a yearly retainer.

Under this suggestion as the need arises for legal services the board would then vote as to whom it would hire.

The motion to hire both at a \$50 an hour rate as needed, passed four to three.

Voting for the new method of hiring an attorney were Mrs. Bosworth, Zeisset, Johnson and McManaway. Voting against retaining both were Bargiel, Dymas and Eaves.

One board member commented that nothing was resolved as everytime the board needs legal advice the same "hassle" on who to hire will occur.

The Madison School Board will hold a regular meeting at 7:30 p.m. in the board office at 1707 Fourth St., Madison.

## Two arrested in state drug probe

Two Quad-City area residents were arrested this week on warrants from the Illinois State Police, Division of Investigation (DOI), alleging unlawful delivery of a controlled substance.

The arrests bring to 10 the number of persons arrested in connection with a six-month undercover drug investigation in this area by DOI agents.

David George Tanner, 22, of 1218 Granite Ave., was arrested Monday on warrants alleging two counts of delivery of a controlled substance and Virginia Stephens, 43, of 4140 Division St., was taken into custody at noon Wednesday on one count of delivery of a controlled substance.

Eight persons were arrested the last week of April on DOI warrants stemming from the same investigation.

## Jail sentence reduced

The Rev. Edwin F. Arentsen, who is in the Madison County Jail in connection with his anti-abortion activities in Granite City, will be released from custody about 8 a.m. Monday under a modified sentence issued by Chief Circuit Judge Victor J. Mosele.

Mosele Monday dismissed contempt of court charges against Rev. Arentsen and then "modified" a sentence of conditional probation which had been issued by Associate Judge Thomas Gibbons in Granite City Friday afternoon.

Mosele's order cancelled all probation and ordered the priest to serve a total of 11 days in the Madison County Jail at Edwardsville, including time already served since Friday.

Judge Gibbons first sentenced Rev. Arentsen to serve 18 months of probation and to go to the county jail on "the prescribed day of worship" of his faith for 30 consecutive weeks to administer to the religious needs of the inmates.

Rev. Arentsen contended the sentence exceeded the legal

maximum for disorderly conduct, for which he originally was convicted, and issued public statements that he would refuse to comply with the probation.

He also notified his probation officer that he did not intend to meet with him, despite court orders that he do so.

A final date with his probation officer was established for last Friday morning and Gibbons ordered Rev. Arentsen to meet with the officer or face contempt of court proceedings.

When Rev. Arentsen failed to appear for the appointment, Gibbons issued an attachment order and Rev. Arentsen was arrested while picketing at the Hope Clinic for Women, where he was first arrested Jan. 19 during a disturbance.

During the contempt hearing, Rev. Arentsen repeatedly declined to answer Judge Gibbons' question whether he intended to comply with the terms of the probation.

Gibbons warned that failure to agree to comply would result in a 30-day jail term for con-

tempt of court, after which he would recapture the contempt hearing until the priest agreed to accept the probation terms.

When Rev. Arentsen finally answered that he would refuse to follow the probation order, Gibbons sentenced him to 30 days for contempt and stipulated that he could be released at any time, if he would sign an agreement to comply with the probation terms.

The exact difference in the

Monday, Rev. Arentsen's attorney, Richard Allen, filed a writ of habeas corpus contending that the priest was jailed illegally and requesting an immediate hearing.

A short time after that petition was filed, Madison County State's Attorney Nicholas G. Byron removed Casper Nigbohosian as the assistant state's attorney handling the case and Judge Mosele told Byron and other

judges that he would hold a hearing to determine if the order should be modified.

At that hearing Monday, in an unusual judicial action, Mosele dismissed the contempt of court citation and modified Gibbons' sentence to 11 days in jail with no subsequent probation or terms.

Asked by the Press-Record Tuesday why he had "overruled" Judge Gibbons' (Continued on Page 6)

## Wolf wins recount

Sam Wolf, Granite City realtor and former state representative, won one of the two Democratic representative

nomination in the March 21 primary election by a margin reported today at 394 votes in the 56th Legislative District. The 394-vote plurality is based on figures resulting from a recount of the primary balloting for Wolf and incumbent State

Rep. Joe Lucoo of Edwardsville who ran third in the March 21 election.

The exact difference in the vote has not been made public pending a report to the court by St. Clair County election officials of the recount in the 14 precincts of Canteen Township which are part of the 56th Legislative District.

The remainder of the district is made up of 12 townships in Madison County, including the Quad-City area.

Wolf had been declared the winner of the second legislative

nomination by a margin of 474 votes following the official canvass of the 56th district balloting immediately after the election.

Lucoo, however, challenged the result and secured a court order for a recount of the district ballots. The recount in Madison County showed a gain of 464 votes for Lucoo to give him a final official count of 16,567 1/2 in the 12 townships of Madison County, and showed Wolf with a gain of 29 votes to give him a

## Transfer weed cutting program

By HARRY BARNES

Press-Record Staff Writer

A majority bloc of the Granite City Council, with a deciding vote cast by the mayor, succeeded Tuesday night in a move

to transfer the city's weed-cutting and mosquito spraying operations from the Street Department to the Sanitation Department and to hire three temporary employees to handle the work.

In action spearheaded by Seventh Ward Alderman Ronald Coleman, the council also approved a suggestion that the Sanitation Department arrange to obtain another

worker under the Madison County Manpower program to maintain records and handle the billing of owners of property on which weeds are cut by the city.

The development came a week after a majority of council members turned down motion to hire two temporary workers for weed cutting and mosquito spraying operations pending a check into the temporary status

of the proposed new employees and how they would be affected under a provision of the Street Department working agreement requiring permanent employee status for any

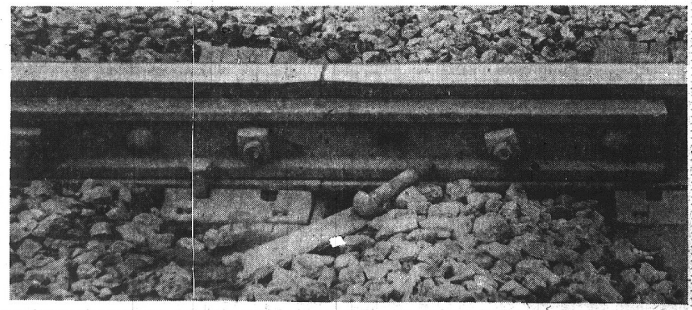

person who works longer than eight weeks.

Lionel Portell, city street superintendent, said during the regular council meeting discussion of the issue a week ago that since the Street Department had been handling the work, and because the department already had qualified several persons under new Department of Agriculture regulations for licensing of operators of mosquito spray equipment, he could see no reason why the city should hire additional persons to handle the work.

## How safe?

How safe and how well-maintained are the tracks that carry heavily-loaded freight and passenger trains? Some here are not being adequately repaired from the ravages of use and the passage of time, the Press-Record said March 9. The Press-Record staff photo at the right was taken at the West Pontoon Road crossing. An editorial on yesterday's derailment appears on Page 27.

## GC school board authorizes \$1.1 million in tax loans

The Granite City Board of Education Tuesday night gave Tully A. Heubner, director of business affairs for the district, the authority to sell up to \$1.1 million in tax anticipation warrants, if necessary, to local banks to meet district payrolls and expenses through the end of the school year.

Heubner noted the \$1.1 million is less than the \$1.6 million he estimated in February would be necessary to borrow this year. A final distribution of 1976 tax funds by the county treasurer and state funds for the lunch and program and driver training were received which allowed the district to avoid borrowing about \$185,000 for the week of April 10 to 14, and more for the pay period which ends tomorrow.

He told the board, "Warrant one will be necessary for the ending May 12. The amount will be \$200,000 to \$300,000, depending upon the cash flow. With the postponement of the first two warrants, it now appears that it will be necessary to issue three tax warrants for this fiscal year."

"In addition to Warrant one, it will be necessary for Warrant two to be issued for the week ending June 2. However, if our state aid is not received prior to May 26, this warrant would have to be moved to the week ending May 26. The amount of

this warrant is estimated to be \$200,000. "Warrant three will be needed for the week ending June 9, and the estimated amount needed will be \$500,000. "The amounts mentioned could be adjusted due to our cash flow. As mentioned in my previous report, the rate of interest on these warrants will be 4.25 percent."

He predicted the warrants will be sufficient for the district to complete the school year, if state aid payments are received "on time and in the amounts expected." Otherwise, additional borrowing might be necessary after July 1 to operate summer programs until receipts from tax collection are received.

"Hoping to maintain a liaison between past and present members of the Air Force Communications Service family" officials at the AFCS headquarters at Scott Air Force Base are looking for former AFCS members who are residing in the local area.

AFCS, based at Scott, near Belleville, is interested in obtaining information pertaining to AFCS officers and non-commissioned officers and civilians who are AFCS retirees.

Those persons are being asked to write to HQ AFCS-CSP, Scott AFB, Ill. 62225, or call 256-5694. What the officials need are names, addresses and positions held while in the AFCS.

## Bicyclist hurt on Highway 3

John H. Ryan, 15, of 2219 Missouri Ave., was riding his bicycle on the northbound shoulder of Highway 3, opposite the A. O. Smith plant, at 3:50 p.m. Tuesday, when a vehicle, also northbound, left the roadway, came onto the shoulder and struck the machine.

The youth said he lost control of the bicycle and was thrown into a storm drainage ditch alongside the road.

A man notified police after observing the youth lying in the ditch waving his arms in an effort to get attention.

Ryan was taken by City Ambulance to St. Elizabeth Hospital, where X-rays were taken and he was treated for pain in the right leg before being released.

SEVERAL HUNDRED BALLOONS are sent aloft Friday afternoon by students of Webster School who have participated in the Independent Reading Program. Each student was given one helium-filled balloon for each 10 books read. Each balloon had a card attached which had the student's name who released the balloon and the name and address of the school, with a note that a reply would be appreciated. A board will be kept at the school to record where the balloons are found. Granite City Trust and Savings supplied the balloons and helium for the project.

## Study new string music program for GC schools

A proposal to phase out the "Suzuki Method" of teaching violin skills and replace it with a string music program which would teach students to read music earlier in the program was approved by the Granite City Board of Education Tuesday night.

The new plan — one of three considered by the board — calls for incorporating the junior and senior high string students into the junior high program, hiring an extra-curricular elementary orchestra.

String instruction will be offered students where five or more pupils are interested. Considerable interest will have to be shown at the junior and senior high school levels, or the program will be dropped after the first semester of next school year, the board agreed.

Board Member George Moore said the elementary school string program was developed in hopes it would expand into the secondary schools. "It is very disappointing the secondary level interest did not materialize. How much further do we go?" he questioned.

Joseph Owens, music consultant for the district, agreed, saying the Suzuki teaching, "in my opinion, has not been a success in our district. The expected musical results have not occurred, and music reading, which is an important part of the student's education, is started too late in the program."

"This is evident by the small number of students who are members of the reading orchestra. I recognize the validity

of some of the Suzuki techniques and these could still be applied in some form. I also recommend that we incorporate an elementary string text, similar to the band, and proceed in this manner."

He estimated that 123 elementary school students and 27 secondary level (junior and senior high school) pupils will take part in a string music program in the upcoming school year.

Anyone who can ride a bicycle, whether in groups or as individuals, is invited to take part in the sixth annual bike-a-thon to aid the Diabetic Children's Welfare Association, scheduled to start at 9 a.m. Saturday at the recreation parking lot on the campus of Southern Illinois University at Edwardsville.

More than 300 prizes contributed by business firms, ranging from an all-expense family weekend at Six Flags to bicycles and televisions, will be awarded to riders raising the most money, according to Gloria Hirsch, 1978 bike-a-thon chairman.

Riders obtain sponsors who pledge a certain amount for every mile completed in Saturday's bike-a-thon. Entry forms are available at any McDonald's Restaurant or by calling the Diabetic Children's Welfare Association at 1-314-533-4142.

Proceeds from the event will be used for diabetes research and the children's summer camp, now in its 25th year at Trout Lodge, near Potosi, Mo.

final Madison County vote of 17,928, or a plurality of 1,361 for Wolf in the 12 Madison County townships.

It was reported yesterday that Lucco had a net loss of 17 votes in the Canteen Township recount in St. Clair County, while Wolf gained one vote in the new canvass. This would give Lucco a total St. Clair County vote of 2,140, and Wolf a total of 834 St. Clair County votes, or a total of 18,717 votes, and Wolf 18,702 votes.

These figures give Lucco a districtwide total of 18,717 votes, and Wolf 18,765 votes.

Attorneys and supporters said that several disputed ballots are involved in the recount report which will go to the court and that the final vote difference will be determined by the court.

William Schooley, attorney representing Wolf in the recount proceedings, said that the best available figures show Wolf winning the nomination by 39% votes.

Lucco has said that he will become a third-party candidate for re-election in the Nov. 7 general election if he failed to gain sufficient votes in the recount.

**Cannabis possession charged**

Two Granite City men, whose eastbound pickup truck made a U-turn on 19th Street at Edison Avenue, went over the curb and struck a stop sign and a shrub, were halted by police at Cleveland Boulevard and 19th Street at 12:15 a.m. Tuesday.

Officers arrested the driver, Jerry T. Gibson, 23, of 2683 Highway 67, charging him with careless driving and failure to give information concerning the accident.

Gibson also was charged Wednesday afternoon in an informational felony document, alleging unlawful possession of cannabis, issued through the Madison County state's attorney's office, Edwardsville.

After Gibson's vehicle was stopped, police reportedly found a brown paper sack behind the seat of the 1973 pickup, containing a plastic bag with several smaller plastic bags inside, filled with what appeared to be cannabis.

Also behind the truck seat were a police-type nightstick, a water pipe, a green bong and numerous articles of clothing.

Gibson allegedly also had a brown bottle containing 15 Valium in his pocket.

The passenger, 19, had part of a marijuana cigarette and

Other elected members of the park board are Jeff Worthen, George Sykes and Barry Loman.

In other business, the board awarded a \$682 contract to Rite Electric Co. for installation of new overhead electrical wiring at the site of the Fourth of July carnivals, and viewed a film presented by Water Tex, showing a new machine which creates reoccurring water motion in swimming pools, resulting in rolling surf of varying heights suitable for body surfing and similar sports.

The board is considering various improvements in connection with construction of a new pool facility in Wilson Park.

The firm, which manufactures the latest pool equipment, has offered to transport board members to a facility in Kentucky, without cost, to view the water machine in action, it was reported.

**Transfer**  
(Continued from Page 1)

Tuesday night, however, Portell told the council that he had met Monday with Coleman and Aldermen Roy Paulos of the council's Sanitation Committee and that "It was a good meeting. It did much to clear the air."

"It is my contention that if this (transfer) will do a better job, then I will not fight it. Of course," he added, "such a change has several ramifications. There is the question of a separation of equipment and the maintenance and storage of equipment."

There also is the question of hiring."

Portell had noted earlier that his department had qualified several men under the Department of Agriculture regulations which this year requires licensing of supervisory and operating employees handling equipment involving the use of chemicals.

He noted again Tuesday night that "the setup is already there."

One of those qualified for licensing is Steve Conkovich, a former Street Department employee, Portell said in a discussion regarding the hiring of additional employees to handle mosquito spraying and weed cutting activities.

During Tuesday night's debate, Alderman Fred "Pat" Schuman of the Second Ward, told the council:

"I don't see why we don't hire Steve Conkovich. He had this work last year and he is unemployed."

Coleman told the aldermen that in the Sanitation Committee discussion with Portell Monday, two major factors were considered:

"One of these is the transfer of the weed cutting and mosquito spray operations from the Street Department to the Sanitation Department, which would place these operations under the Inspection Department."

"The second point," Coleman said, "was the hiring of three people, two of them to be assigned to mosquito spraying and one to cutting weeds. We also decided to ask for a CETA (Comprehensive Employment Training Act) employee to handle the records and to bill the owners of property on which we cut weeds."

Coleman said that it was decided to use two mosquito spraying units to double the

mileage of streets to be covered by fogging.

The aldermen moved to make the transfer of operations. That motion carried by a vote of 10 to 3, with one alderman absent.

Coleman then moved to hire three men who, he said, were recommended by David McFarland, business representative of the Teamsters Union.

On a roll call vote, Coleman's motion received seven "yes" votes and six "no" votes. Under parliamentary procedure, the mayor may vote in instances where his vote can decide the issue.

Mayor Paul Schuler voted "yes" to make the vote eight to six. A minimum of eight votes was required to approve the motion.

Those voting in favor of hiring the three workers were Aldermen Coleman, Roy Paulos, Clyde Boyd, Paul Bowler, Gerald Parmley, Everett Morien and Glenn Sprinkle, and Mayor Schuler.

Negative votes were cast by Aldermen Sam Whitmer, Warren Decatur, Charles Douglas, Schuman, Lloyd Bailey and Mrs. Margaret Nomm. Alderman Earl Baker was absent.

Those hired by the action are Mark Reynolds, Bill Menk and Bud Gates, Coleman said.

In discussion on transferring the operations, remarks by aldermen that the weed cutting and mosquito spraying operations in past years "have seen-sawed back and forth from the street department to the Sanitation Department" brought a question from Bailey, who asked:

"Why was the operations taken out of the street department and isn't Lionel (Portell) doing a good job?"

Coleman replied:

"In response to the first part of the question, I think it is just a question of getting the job done and I think this will work better. In answering the second part of your question, it is not a question of Portell doing a good job, it is the matter of equipment and manpower to do the job."

Alderman Clyde Boyd of the Third Ward, chairman of the Street and Alley Committee, said he was in favor of the transfer of the work to the Sanitation Department because the street department has plenty of work.

"With the last two severe winters we've had, we have

plenty of work to do getting the streets back in shape. There are enough problems for the street department to handle as it is."

Alderman Douglas asked Portell what is involved in qualifying workers for mosquito spraying. The street superintendent noted that the men are required to "take a course" and an examination.

Coleman said after the meeting that Emerald Daves, city inspector, and James Stack Jr., a street department employee appointed by Mayor Schuler, took the supervisory examination at Springfield Monday, and that two of the three men hired Tuesday night will be required to take the Department of Agriculture exam within the next few days.

money which he has received in the course of a bet or wager. The ordinance does not affect legalized bingo and the state lotteries. Fines range from \$25 to \$500 per offense.

There was a question raised when the ordinance would become effective and City Attorney Lance Caille said it would be effective when signed by Mayor Paul Schuler.

Schuler signed the document Wednesday and employees were ordered to close the establishment and arrest employees in it as soon as a customer is seen inside.

The Finish Line Express office in Granite City has been closed on two other occasions by officers, but both arrests occurred before the First Appellate Court ruling which threw out a state statute barring such messenger services.

Spokesmen for the messenger services say the offices do not conduct betting, but act only to accept money and transport it to race tracks where bets are then placed. Winnings then are transported back to the offices where winners may pick them up, it is contended.

Legislation also is pending in Springfield to legalize off-track betting at state-operated facilities. Byron commented on the effort to turn off-track betting into another state game, saying, "I personally am alarmed by it. I don't like it mushrooming into state gambling."

Venue Chief of Police Ralph D. Brawley said this morning that he plans no action against the Finish Line Express on Broadway until he receives further instructions. He indicated the Venue City Council may discuss the issue Tuesday night.

"I do not think they have done any business. We are still waiting to hear from Edwardsville (Byron's office)," he concluded.

## Nader and big banana splits at Springfest

One of the world's largest banana splits, overgrown children riding tricycles, and Ralph Nader speaking on economic issues—all will be part of the annual Springfest scheduled at Southern Illinois University at Edwardsville May 8-12.

"Mardi Gras at SIUE" is the theme of the event, sponsored by the Major Events Council. Parachuters from the Greater St. Louis Parachute Club will land in the "hairpin" drive at 10 a.m. Monday to launch the festival. President Kenneth A. Shaw will fire a cannon in the mall to also mark the beginning of the week-long series of events.

Students from the theater department will parade around the mall at 11 a.m. in Mardi Gras costumes. Clowns will also stroll along the mall with candy. The group "Effie" will perform at the lake from 11 a.m. until 2 p.m. Beignets (French doughnuts) will be served all week in an outdoor cafe from 9 a.m. until 2 p.m.

A beer garden at the Faculty Club has been scheduled from 11 a.m. until 3 p.m. Tuesday. "Consensus Blue Grass" will provide the music. Bar-b-que pork steaks will be made available to SIUE students at no cost.

The SIUE Craft Shop will sponsor a Craft Fair on Wednesday and Thursday from 10 a.m. until 8 p.m. outside of the University Center.

A giant banana split will be served in the mall at 11 a.m. Wednesday followed by skateboard demonstrations all noon. The group "Faustus" will be featured on the University Center patio from 11 a.m. until 2 p.m.

Philippe Norman, a coffee house singer, will perform outside the University Center from 2 until 4:30 p.m. A pie eating contest at 11 a.m. will commence Thursday's activities, followed by a 10-speed bike race at 11:30 p.m. Alpha Phi Omega fraternity will sponsor a tricycle race

beginning at 12:30. The two races will be held on the hairpin drive.

Games will be played in the mall area from 1:30 until 3 p.m., including a gold fish eating contest and paper airplane contest.

Ralph Nader will climax next Thursday at SIUE with a speech on current economic issues at 7:30 p.m. in Meridian Ballroom of the University Center.

The Tower Lake recreation area will be the setting for Friday's (May 12) activities, beginning at 10 a.m. The lake will open for swimming, for the first time this year, at noon.

Wheel-barrel races, three-legged races and sack races will be part of the day's activities. The Tower Lake Area Council will supply refreshments for those attending. The group "Adraustra" will perform at the lake from 11 a.m. until 4 p.m.

Other activities scheduled at the lake during the day include: water polo, volleyball tournament, water polo, log rolling contests and more.

The week-long festival will end on Friday evening, May 12, with late-night activities to be held at the University Center.

Both the Madison Senior and Junior High School bands will perform at a joint concert tonight at 8 o'clock in the Junior High School gym.

Each band will play individual selections and then join together to present the final selection.

Members of the band parents' Club will assist with the arrangements for the concert. Senior students in the Senior High band will be recognized during the concert.

William F. Ledbetter will direct both bands. Admission will be by season tickets, or tickets at the door will cost 75 cents for adults and 50 cents for students.

Selections to be performed by the Junior High band: "Conquest Overture" by Robert Powers.

"Carnival for Trumpets, John Kinyon.

"Melodies That Were Broadway, arranged by James Ployhar.

"Rockin' Around" by Andrew Bales.

"Skip to My Lou," arranged by Paul Herfurth.

Selections by the Senior High band: "Burnished Brass," a concert march by John Cacavas.

Richard Wagner, "American Folk Rhapsody No. 4," Clare Grundman.

"Die Meistersinger Overture," Richard Wagner, arranged by Paul Yoder.

"Vincent Youmans Fantasy," arranged by Paul Yoder.

"Kid Stuff," novelty by James Ployhar.

## Repair Special sites for vehicle tag sales

### Bakalis

Democratic nominee for governor, said Tuesday he has put forward a proposal in the General Assembly to supply \$30 million in emergency highway construction funds for pothole repair and road restoration throughout the state.

Bakalis, who made the announcement at a mid-morning news conference in Chicago, said his proposal has the firm support of Sen. Charles Chew, chairman of the Senate Transportation Committee, and Rep. Benedict Garmisa, chairman of the House Transportation Committee as well as the backing of Rep. John Beatty and Sen. Leroy Lemke, sponsors of the legislation.

"This legislative initiative," Bakalis said, "is designed to meet the state's immediate transportation need—repair of the potholes and other weather damage to our highways, streets and roads caused by two unusually severe winters in a row."

We are confronted with a bonafide emergency situation that has been totally ignored by Governor Thompson in his budget proposal now before the General Assembly," Bakalis continued.

"If the Assembly acts swiftly and the governor is responsive," dollars from the Emergency Pothole Repair and Road Restoration Fund could result in repair operations being carried out within one month."

Bakalis said the \$30 million loan from the general revenue fund would be repaid in one year by transferring an existing monthly "off the top" deduction of 1-15th of the state's motor fuel tax collections from the state road fund back to the general fund.

"The gradual manner in which the \$30 million would be repaid reduces the fiscal impact on the road fund," Bakalis said.

"The monthly payment to the general revenue fund avoids any significant cash flow problems."

"By taking action on my pothole repair program, the General Assembly will take a giant step toward getting our highway tax dollars back on the road where they belong."

"It's high time that the Illinois motorist got something for his gasoline taxes and vehicle license plate fees besides broken axles and bent wheel rims."

**Michael Ditch remains serious**

Michael Ditch, 25, of 1730 Fourth St., Madison, remains in serious condition today at Parkland Desloge Hospital, St. Louis, with multiple injuries sustained in a motorcycle accident.

Ditch was found unconscious some distance from his motorcycle at 3:15 a.m. Monday, along Maryville Road about two miles north of Route 162. He suffered multiple cuts to his face and chin and a neck injury.

The price of vehicle tag stickers in Granite City will rise from \$3 each to \$5.50 and truck stickers will increase \$2.50 each on Monday, May 15, officials warned residents today.

Stickers are sold weekdays at the city clerk's office in the Granite City Hall and will be sold Friday at American Heritage Bank of Granite City, 2400 Pontoon Road, and American Heritage Bank of Granite City at Nameoki and Fehling roads.

**Auto hits tree, driver cited**

Raymond E. Jones Jr., 16, of 25 Kaseberg Rd., was arrested on Monday, May 15, for observation at 8:30 p.m. Wednesday suffering a cut to the upper lip and abrasions to the face.

Jones was issued a traffic citation by the Madison County court for driving recklessly while traveling too fast for conditions. Jones was heading south on Lake Drive, allegedly lost control of his car, skidded for several feet and struck a tree near the intersection of Lake Drive and Hanna Drive.

**Education**

(Continued from Page 1)

the "bare bones" budget which has been passed for this fiscal year.

The decreasing state aid is considered the major cause of the problem. Heubner estimates state aid for the upcoming school year will be \$238,495. Since that will affect only the educational fund, the state will have to combine with the increase in motor fuel taxes to the educational fund, will mean the district will have about \$178,288 less to operate that fund in the upcoming school year than in the current school year.

Even with the additional life safety money for building improvements, the building fund will fall short of what is needed for routine maintenance, not counting needed major repairs, Heubner said.

He predicted a bond issue may be necessary in the near future and suggested the board consider a 1980 bond issue, when the district is free of bonded indebtedness.

New bonds for building improvements, including a new vocational building at GCIS, and library remodeling at GCIS South, could be issued at that time, yet the bond and interest fund rate of 33.1 cents could be lowered, since other indebtedness will be repaid, he noted.

He said some funds will have to be taken from the educational fund for building purposes in the upcoming school year, since the estimated expenditures for routine services to the buildings total \$1,010,400, while projected revenue is estimated at \$870,090.

Estimated building fund expenditures include \$321,900 for utilities, \$261,700 for salaries, \$75,000 for insurance, \$80,200 for supplies and \$88,500 for routine limited contractual services needed to keep the buildings in operation.

"It is rather easy to see that this district cannot undertake major building maintenance or expansion projects from current operating funds. It is also obvious that our present facilities are in need of renovation. Without proper care, the life expectancy of a building," declines considerably," Heubner warned.

A bond issue may aid the financial crisis in the building fund, but the only permanent hope for stability in the education fund is an adequate amount of state aid, he said.

The latest printout from the Illinois Office of Education estimates the district will receive less than \$9,353,523 next school year, a loss of at least \$25,486 from the state aid in the current school year.

He noted the legislature currently is considering the state aid formula and may make changes in the near future which could either hurt or help the local district.

B. J. Davis, superintendent of schools, said six different bills pertaining to the state aid formula are under consideration. "Most are a bandaid type which could be some help, but some could really hurt us," Davis said he is serving on a legislative sub-committee of superintendents advising legislators on the merits of the various bills.

"We've got to do something. We are just getting desperate for money," he concluded.

Bank are 10 a.m. to 3 p.m., and 3:45 p.m. to 7 p.m. At Colonial Bank, the stickers will be on sale tomorrow from 10 a.m. to 1 p.m. and 4 p.m. to 7 p.m.

Stickers also will be sold Saturday from 9 a.m. to 2 p.m. at Cohen's Foods, 2301 Illinois Ave.

Senior citizens, age 65 and older, may purchase one vehicle sticker for \$1 at the senior citizens center, 2160 Delmar Ave., through May 15. Identification will be required. Additional stickers for senior citizens will be at the normal price.

**Jail sentence**

(Continued from Page 1)

orders, Mosele said he only used his power as the chief circuit judge to "modify" the sentence and "get this matter settled."

He contended the proper method of settling whether the priest would comply with the probation order or go to jail would have been the filing of a petition to revoke the probation by the state's attorney's office and stated, "The state's attorney's office refused to file a petition to revoke."

He would not comment whether attempts by Nighossian to seek such a petition were responsible for Nighossian being removed from the case and Assistant State's Attorney Randy Hill appointed to handle it.

Nighossian also had no comment.

Mosele said he modified Gibbons sentence of conditional probation. "Because there was a question on the validity of the original order. Rather than get in a legal hassle, the court (Mosele), on its own motion, modified the original order."

He displayed what he said was a "relatively unknown" state statute which limited the amount of periodic imprisonment or other service to the time of the maximum jail term. Since 30 days in jail is the maximum jail sentence for disorderly conduct, Mosele said, the periodic imprisonment would all have to be done within the same 30 days, as he interpreted the law.

Asked if he has the authority to dismiss the contempt citation, Mosele said he had the authority to modify the original sentence, which also gives him the authority to modify subsequent developments in the case.

"The court has a right to modify any probation order and anything following therefrom," Mosele stated.

He said he had not consulted with Judge Gibbons before modifying the probation order and dismissing the contempt citation, saying Gibbons had gone on vacation.

**NEW VENICE POLICE OFFICER.** Tim Simmons, right, is sworn in as a Venice police officer at 6:30 p.m. Monday by Venice Chief of Police Ralph D. Brawley in the Venice city hall.

## Stolen car used in GC robbery found by owner

A stolen auto used as the getaway vehicle in the armed robbery of Schewe's Corner Confectionery, 2550 Grand Ave., was seen by the owner, David DeGonia, 2417 Madison Ave., parked at East 24th Street and Bromley Avenue at 7:15 p.m. Monday.

The 1978 red Impala was taken from Mrs. Janet DeGonia, a customer, who walked into the confectionery as the robbery was taking place at 8:45 a.m. Monday. The robber remains at large.

About \$200 was taken, according to Edward Werner, store owner.

### Heartland Cookbook offered for sale

The Heartland Cookbook — a collection of traditional and contemporary recipes regarded as Illinois' favorites — is being offered for sale in the Quad-City area by the Illinois Home Economic Association, a professional organization dedicated to improving the quality of life.

All recipes were contributed by members of the association. Proceeds from sale of the book will be used by the IHEA for scholarship programs and research projects.

Illinois, located in the heartland of America, served as the crossroads to the West during pioneer days, and many travelers of diverse nationalities, cultures and heritages stayed to make their homes in Illinois, an association spokesman said.

As a result, the recipes in the cookbook are as varied as the people who settled in Illinois, the spokesman added.

They include such ethnic specialties as "rotkraut," a German cabbage dish and "dolma," an Assyrian entree with ground lamb. Heavy country dishes such as "scrapple," a country-style chicken pie, and "hush puppies" also are included along with contemporary recipes that feature convenience and easy preparation.

Many recipes are followed by a brief explanation of the recipe's origin or suggestion for variations or short-cut preparation. Historical commentary depicting Illinois' heritage appears throughout the book.

The 230-page cookbook was produced in tribute to the state. It is two-color, with brown print on heavy-weave, earth tone paper. Recipes are printed in above-average size type for ease in reading.

The cookbook is \$4 per copy. Copies can be obtained by contacting Jo Meyer at 878-1380.

Thelma Rozell, a clerk, was alone in the store when a man entered, purchased a soft drink and left the premises.

A few minutes later the man returned and placed the empty soda bottle on the counter. He was told by the clerk, "That's worth a dime."

The man then displayed a black handgun and pointed it at Mrs. Rozell, saying "Put all the money in the sack. I mean all of it."

He was described as white, about six feet tall, weighing 150 pounds, between 25 and 30 years old, clean shaven with dark brown hair, collar length. He was wearing a blue stocking cap, a blue jacket and faded blue jeans.

As the clerk was getting money from a cash register, Mrs. DeGonia walked up to the door, which was opened for her by the robber.

"Get over here. This is a stickup," he said, motioning her to get behind the counter.

Mrs. Rozell placed all the bills and change into a brown paper sack. "I need those ones (\$1 bills), but don't need the pennies," the man stated.

At that point, Wayne Lunsford and Thomas Byer, also customers, came into the store and the robber made them walk to the rear with their arms up and place their hands on a rack holding bags of potato chips.

"I don't want to hurt anybody, but I need the money," the armed man stated.

While the robber was fastening Mrs. DeGonia's wrists to the rack with black electrical tape, she dropped her car keys on the floor.

The man picked them up and told Mrs. DeGonia, "I need your car. I'll leave it a couple of blocks away."

He also stated, "I'll count the money and you'll get everything back."

An alarm was sounded as soon as the robber left the store and one of the customers notified police by telephone.

Mrs. DeGonia's husband stopped a patrolling police officer at East 24th and August streets at 7:15 p.m. Monday and said he had seen the auto parked two blocks away.

The car doors were unlocked and the keys were found beneath the seat.

An investigation is continuing.

## Advisers will review Venice school planning

The Venice Title I and Title VII Districtwide Advisory Council will meet on Thursday, May 11, in the school library. Mrs. Charlotte Dilday and Mrs. Verla Arnold, co-chairmen, have announced.

The secretary is Mrs. Dorothy Griggs and the assistant secretary is Mrs. Catherine McIntyre.

Reports will be given to inform the council about implementation of present programs. There will be a special session dealing with Title I concerns.

Finally, comments will be provided by the members regarding resubmission of the basic and pilot proposals for Venice School federal programs in 1978-79.

Other members are Mr. and Mrs. Herman Smith, Sister Barbara, Mrs. Eddie Barbee, Mrs. Bettie Green, Mrs. Sallie Blakeley, Mrs. W. M. Townsend, Mrs. Joyce Odom, Joe Willie Roberts, Mrs. Charlotte Bilbrey, Mrs. Alvester Salmond, Mrs. Rosie Malherek, Mrs. Christine Gray and Mrs. Gussie Glasper.

Student members are Tami Boushard, Dan Daniels, Carolyn Richmond, Tim Ponce, Barbara Matkins, Terrance Arnold, Mary Beth McGarraban, Chris Ponce, Ann McIntyre, Gerlie Rupert, Vicki Parker, Sabrina White, Lisa Foley, Cheryl Baker, Paula Walker, Kenneth Wise, Robert Whitfield, Tim Scaturro, Elaine Parker, Richard King, Lloyd Blumentrock and Linda Berry.

## Two passengers hurt in collision

An auto operated by Jackie B. Mitchell, 2718 E. 24th St., reportedly made a left turn from East 24th onto Namecki Road at 12:10 p.m. Monday and collided with a southbound auto driven by Deborah S. Harris, 1802 Bremen Ave.

Two passengers in the Harris auto, Mrs. Mildred L. Harris, 50, of 2802 Washington Ave., and Donald Harris, 1-year-old, 1802 Bremen Ave., bumped their heads on impact and were treated at St. Elizabeth Hospital. X-rays were taken and both were released.

W. E. "MICK" STRANGE

## Strange is honored in Springfield

W. E. "Mick" Strange, Madison, was a special guest during the weekend at a dinner held in the Sangamo Club in Springfield, Ill.

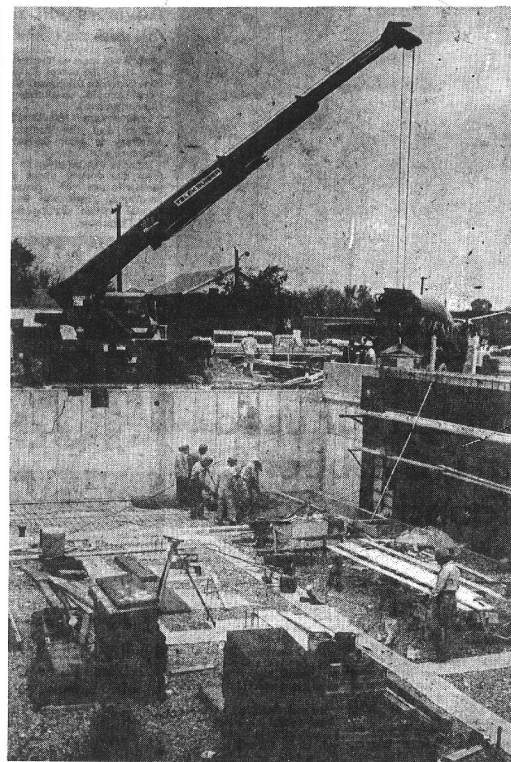

The formal dinner was part of a two-day event of the Abraham Lincoln Council, Boy Scouts of America, which included the rededication of Camp Illinek and the dedication of a new multi-purpose building at the camp located on Lake Springfield.

Jay Heim, scout executive, and the Honorable Richard Mills, president of the Abraham Lincoln Scout Council, served as hosts and masters-of-ceremonies.

Strange, who spoke at the dinner related incidents that happened at the camp in the early 1960s when he was the camp director at Illinek.

Strange served the Abraham Lincoln Scout Council as assistant scout executive for three years and directed Camp Illinek, along with serving as advisor to the Illinek Lodge, Order of the Arrow.

Active in Scouting for 37 years since age nine, Strange currently is chairman of the Cahokia Mound Council Exploring Committee, a member of the local council executive board and holder of the Silver Beaver.

## Await new fire truck in Madison

Fire Chief Eldon Rhoads reported to the Madison City Council Tuesday night that a new fire truck ordered by the city is expected to be delivered by May 15.

Mayor Mike Sasyk asked Chief Rhoads to prepare a fire comparison report for the past three years.

"I believe we have had a marked decrease in fires due to our building code enforcement and our new ordinances," Mayor Sasyk commented.

Civil Defense Director Casimir Krakowiecki reported that the city now has people trained as tornado spotters. He also reported that a citizen band radio base station is in use in the police station and that the police are monitoring CB Channel Nine.

Krakowiecki told the council that the police have already responded to several important calls based on information received on channel nine.

Third Ward Alderman Thomas Gordon, chairman of the council's finance committee, said, "I would like to have a rather detailed meeting of the finance committee as soon as possible to review and discuss the 1978-79 budget."

"We have many items to go over and it will take us several days," he said.

City Comptroller Al Hudzik noted that he is working on the related records and they will be ready for the finance committee in about two weeks.

A letter from Richard L. Woods, agent-in-charge of the Metropolitan Enforcement Group of Southwestern Illinois was read to the council. The letter was in appreciation of Police Chief Donald Bridick's and Police Officer Frank Papa's assistance in the arrest of an alleged drug dealer.

Woods wrote in part, "The arrest was effected in a swift and efficient manner."

The council approved \$5,247 in bills for the period from April 18 to May 2.

The aldermen voted 9-1 to confirm the mayor's appointment of Bridick to continue as chief of police in the 1978-79 year.

Second Ward Alderman Frank Dutko, who dissented, said after the meeting, "I will have a statement later on, but not at this time." During the meeting, he had referred to qualifications.

Other appointments by the mayor were approved by a unanimous vote of the council. Designated were: Robert Robbins, superintendent of streets; Hudzik, city comptroller; Ed R. Dubish, three-year term as police commissioner; Casper Nighobosian, corporation counsel; Vasil Graville, health and humane officer; John Dutko, building inspector; Curtis King Sr., assistant building inspector; Krakowiecki, civil defense director.

George Amisch and Elvers Johnson to the playground and recreation program board of directors.

Third Ward Alderman Ronald Grzywacz said after reading the April police department report, "I think the council should go on record complimenting Officer Gary Marsala. This report

shows that he has made 31 traffic arrests and nine others. "Anyone who writes that many traffic tickets is doing his job and is really working at it."

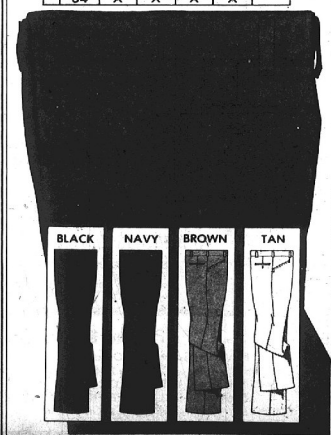

The police report prepared by Chief Bridick showed a 23 percent drop in major crimes during the month, compared to the same month last year.

### Youth faces damage charge

James D. Wilson, 19, of 4045 Gaslight Walk, Apt. 2, was arrested at the Upper Level, 1900A State St., at 1:20 a.m. Wednesday when officers learned he had run into the lounge after an incident occurring a few minutes earlier on 19th Street.

Wilson was charged with battery and criminal damage to property. He was released at 4:25 p.m. Wednesday on payment of \$750 cash bond. Witnesses said a man became angry when told he could not be served at the Barrel Restaurant, 1226 Nineteenth St., as he had been barred from the place the previous day.

After leaving, it is alleged he kicked the outside door to the lounge area several times and hit the exterior shutters on the building.

He then went to the front of the adjacent Old Time Ice Cream Parlor at the corner of 19th Street and Delmar Avenue, allegedly kicking the door several times and breaking a 78-by-32-inch door glass, worth \$130.

The man reportedly also kicked and broke a large plate glass window, more than nine feet by five feet in size and valued at \$540, on the Delmar Avenue side of the ice cream parlor.

Following his arrest at the Upper Level, the man was taken to police headquarters, where he reportedly became loud and belligerent with a radio dispatcher.

While being escorted to cell,

the prisoner allegedly kicked Officer Michael Sparks in the right leg, causing abrasions and swelling above the knee. A scuffle ensued and two other officers were forced to restrain the prisoner, police said.

Officer Sparks was taken to St. Elizabeth Hospital for treatment at 2:40 a.m. Wednesday. He was released.

## Jackson will address dinner honoring Price

U.S. Rep. Melvin Price (Dem., Ill.) will be honored at a testimonial dinner on Saturday, May 20, in Belleville.

Guest speaker at the non-partisan dinner will be Senator Henry M. "Scoop" Jackson of Everett, Wash., a longtime friend of Rep. Price.

"We are pleased to have a man of Sen. Jackson's national prominence and prestige with us to honor Rep. Price," dinner committee chairman Robert J. "Mike" Faust said.

He said that the committee is composed of area labor, business and professional men and women who wish to honor Cong. Price for his 34 years of

service to the Madison-St. Clair counties area.

The 7 p.m. dinner will be held at Fischer's Restaurant, Belleville. For further information, interested persons may contact Bob Holt at 397-2122, Faust said.

Sen. Jackson was elected to Congress in 1940 and retained his seat there until he was elected to the Senate in 1962. He is chairman of the Energy and Natural Resources Committee, and a member of the Senate Armed Services and Governmental Affairs committees. He is married and the father of two children.

The collection of books at the new branch is limited at present but still is under development.

## Winifred Freedman in campus musical

Winifred Freedman, a junior in the theater department of the School of Speech at Northwestern University, is performing as a member of the cast in the school's 47th Waa-Mu Show, "Wake Me at Eight."

Miss Freedman, daughter of Dr. and Mrs. Melvin Freedman, 2343 Cleveland Blvd., Granite City, was chosen from among 192 students who auditioned for parts in the show. There are 58 members of the performing cast.

Song and dance numbers and skits in the show focus on the theme, "Things That Happen in Hotels." Written and choreographed entirely by students, "Wake Me at Eight" opened April 29 and runs through May 6.

"Hotels can be very comic places and they're great set-

tings for music and dance," says Tom Roland, director of Waa-Mu and the Office of Special Events at Northwestern.

A tradition at the University, Waa-Mu evolved from separate events sponsored by the Women's Athletic Association and the Men's Union. The annual spring musical revue involves 200 students, including composers, writers, wardrobe and stage workers and performers. Proceeds from the show, which is always sold out, are used for scholarships.

Miss Freedman has appeared in a number of University Theater productions and is co-production manager of the Waa-Mu Show, in addition to her role as a cast member. This is her third Waa-Mu Show.

## Car hits boy, 9, in Pontoon Beach

Bobby Brummund, 9, son of Carl Brummund, 4015 Pontoon Road, sustained minor injuries at 8:30 a.m. Tuesday when the boy ran across the pavement in the 3900 block of Pontoon Road, fell down and was struck by a car.

According to witnesses, Bobby was among several children running across the highway when he slipped and fell.

Mrs. Maxine Range, 26, of Cottage Hills, said her west-bound vehicle was almost stopped when she bumped the boy. The driver was not charged.

The boy was treated at St. Elizabeth Hospital for a bump on the head and pain in the left hip. X-rays proved negative and he was released.

Pontoon Beach police repud people living in the vicinity of the accident said school children frequently run back and forth across the highway and repeatedly have been warned to stay on one side of the road.

FIRST BOOK is checked out of the new branch Granite City Public Library in the Namooki Village Shopping Center, Tuesday afternoon by Mayor Paul Schuler, right, shortly after its opening. At left is branch supervisor Gregg McGee and at center is his assistant, Mrs. Irene C. Mooshegan. The branch is the

first in the Lewis and Clark Library System of which the local library is a member. The branch will begin Sunday opening hours in September on an experimental basis. The new facility features a capacity of 15,000 books in addition to a children's area and a variety of periodicals and newspapers.

## Rhoads re-elected Madison fire chief

Eldon Rhoads was re-elected chief of the Madison Fire Department at the group's regular meeting in the fire station Wednesday night.

Other officers elected were Andy Economy, president; Damian "Bud" Caffrey, vice-president; James Shipoff, treasurer, and Robbie Robbins, secretary.

Currently Madison firemen are visiting the elementary schools this week, talking to the children about fire safety and judging poster contests.

A "clinic" day on Tuesday from 10 a.m. to 4 p.m. will feature health booths, films and demonstrations of the Heimlich Maneuver. Subjects include blood pressure, diabetes, nutrition, lung disease and stress. The Heimlich maneuver

## 'We wish you well' hospital week theme

"We wish you well" is the theme of National Hospital Week being celebrated May 8-14 at St. Elizabeth Hospital.

Floral presentations to the oldest male and female patients will begin the week's activities. Staff physicians also will be recognized with carnation bouquets.

A "clinic" day on Tuesday from 10 a.m. to 4 p.m. will feature health booths, films and demonstrations of the Heimlich Maneuver. Subjects include blood pressure, diabetes, nutrition, lung disease and stress. The Heimlich maneuver

is a rescue technique used on the victims of food-choking. The public is invited.

On Tuesday evening, the annual Nurses' Alumnae Tea will be held.

On Wednesday, from 12 midnight to 2 a.m., associates (employees) of the midnight shift will be guests at a buffet. "Bodine the Clown" also will make a special visit to youngsters at the pediatric unit.

A recruitment theme will prevail at a volunteer breakfast on Thursday, May 11, and a luncheon on Friday, May 12,

will recognize doctors' office personnel.

Winnie the Pooh will make his annual visit on Friday, May 12, from 2 p.m. to 3:30 p.m.

A layette presentation to a Mother's Day mother will take place on Sunday, May 14.

In conjunction with National Hospital Week, and the local hospital's expansion and renovation program, several departments are conducting fund-raising projects, with proceeds going to the building program.

Some insects are hungry. Flea beetles (little black or gray insects that jump and hide from you) are on radishes, sweet corn, potatoes, and are waiting for eggplant. Cutworms are waiting for beans or your transplants. Watch for these pests and treat with carbaryl or diazinon according to the label on the package.

Repeat plantings now to extend harvest season later. Crops such as cabbage, sweet corn, beans, kohlrabi, and

radishes have short harvest periods and this can be extended by making more plantings. Sweet corn is best planted every week for continuous harvest during the summer.

Another method to extend harvests is to plant several varieties with different maturity dates. This works well with cabbage and sweet corn.

Bearing fruit plants need spraying. This is the season for rapid growth of fruit and leaves, whereby they grow out of a protective pesticide covering. It is also the time when protection is needed from the many insects and diseases that are active. A spray program on a 7 to 10 day schedule should give good protection at this time.

Keep weeds from getting established. The secret to weed control is to stay ahead of them. Shallow cultivation or hoeing is the best way to kill seedling weeds. Mulches will prevent them from growing. Apply Dacthal to new strawberry plantings that are weed-free.

Train fruit plants right. On new strawberry plantings, blossoms should be removed to conserve energy within the plant. New grapes should be trained to one or two shoots, with all other shoots removed the leader and/or scaffold branches and pinch out the growing point of competing shoots.

Keep asparagus harvested. Asparagus should be harvested so that fern-leaves do not develop. This will keep new spears coming. Harvesting may continue until early June on established plantings.

## Area college commencement date changed

Bellevue Area College commencement exercises have been postponed until May 17. Originally scheduled for May 7, the ceremonies have been set for Wednesday, May 17, at 8 p.m. at the Scottish Rite Cathedral in Bellevue.

A concert by Dr. James Sperry and a brass quartet will begin at 7:30, with the procession starting at 8 p.m. More than 700 BAC students will receive associate of arts or science degrees this spring.

## Lutheran High concert in GC

Lutheran High will present the first spring concert in the school's history on Thursday, May 11, at 8 p.m. The concert will be held at Concordia Lutheran Church of Granite City (2305 Grand Ave.). The students, under the direction of Mrs. Rosalia Runge, will present a concert of sacred and secular music.

Piano solos will be rendered by Staci Dellamano, Chuck Gerstenecker, Pam Rankin and Anne Rasmussen. Music, including band and choir, is one of several co-curricular activities available

to students attending the year-old Christian high school. A full program of interscholastic athletics along with journalism and drama also are available. Enrollment at Lutheran High is open to "ninth and tenth graders in this region seeking a quality education in a relaxed, concerned, Christian atmosphere."

For further information, Quad-Cityans may write or call: Office of the Principal, Metro-East Lutheran High School, 1327 Vaughn Road, Wood River, Ill. 62095 (telephone 259-7285).

## Expand Press-Record building; two new homes

Three construction permits accounted for the bulk of Granite City's \$373,200 in building permits issued to businesses during April, a monthly report showed Tuesday night.

The Press-Record will expand its building to the west with a \$54,000 addition. The newspaper is located at 1815-17 Delmar Ave.

In two previously announced projects, a \$225,000 Wendy's Restaurant will be built at 3401 Nameoki Road and a \$60,000 7-11 Store will be constructed at 1207 Niedringhaus Ave.

Other permits to firms total: \$17,000, fence at The Colonades nursing home; \$5,000, Norfolk and Western Railway addition; \$5,000, Cross Roads Shopping Center remodeling of a vacant unit; \$4,800, Prairie Farms Dairy parking lot paving; and \$2,400, Abel Auto Body lot improvements.

This \$273,200 total was part of an overall tally of \$610,419 in construction authorized during the month. Included in the April list were two new residences, \$105,000 total; 62 remodeling and repair projects, \$80,417; three residential room additions, \$18,300; ten garages, \$21,100; three carports, \$1,882; and four utility sheds, \$1,550. Razings costing \$4,350 were approved, involving one residential service station, four garages and a porch. There were 26 electric permits, \$253; nine sewer permits, \$225; one Appeals Board filing, \$5; 18 heating permits, \$100; one engineer license renewal, \$3; three fire Commission filings, \$45; eight plumbing permits, \$134; and two sign permits, \$50, for an aggregate of \$1,342 in permit fees.

## Motorcyclist hurt on Carhill

Mrs. Pamela Fisher, 24, of 3725 Carhill Road, backing her auto out of the driveway at 2 p.m. Monday, reportedly failed to see a motorcyclist passing by and the car and machine collided.

Edwin M. Ostresh, 20, of 3909 Gaslight Walk, Apt. 1, who was operating the motorcycle, was admitted at St. Elizabeth Hospital with cuts to the head, multiple abrasions and contusions and pain in the right shoulder and right knee.

Mrs. Fisher was ticketed for failing to yield the right-of-way and is to appear by May 25.

## Driver injured at 29th-Madison

A collision on Madison Avenue at 29th Street at 3:30 p.m. Tuesday resulted in injuries to the driver of one vehicle, James F. Tadlock Sr., 49, of 1751 Spruce St., who was halted his northbound car preparing to turn left.

The second vehicle involved was a pickup truck operated by John H. Painter, 2525 Buenger Ave.

Tadlock was taken by City Ambulance to St. Elizabeth Hospital with pain in the neck and a headache. He had X-rays taken and was released.

## Fire bullets at service station

Two bullets were fired into the Pontoon Shell Station, 2701 Pontoon Road, it was reported Monday by Robert Cann, the station operator.

One bullet penetrated the front window, lodging in a soda case, and second bullet was found in an oil cabinet next to the gasoline pump. The shells, appeared to be .38 caliber, an officer said.

**Pack 28 hears state trooper**

Illinois State Trooper James G. Gallo was the featured speaker at a meeting of Cub Scout Pack 28 of Parkview School, last week.

He presented an interesting program on bicycle safety and rules of the road for the pack members and their families. Cubmaster Dale Ashmore welcomed prospective cub scouts and their parents as special guests for the evening. During the meeting a uniform inspection was conducted and Den Six received the top honors. The cubmaster announced the May meeting will be a family picnic at Wilson Park.

Pack 28 treasurer Larry McIlroy presented the following awards: Duane Jones, Wolf badge and a gold and silver arrow point; Jamie and Timmy Hogan, silver arrow points; Randy Fountain Wolf badge and two silver and a gold arrow point; Eddie Malton, a gold arrow point; David Maxwell, Mike Zielkowski, silver arrow points. Webelos and the awards received were: Greg Kessler—engineer, naturalist and scholar pins; Webelos badge and Arrow of Light; Mike Lewis, Greg McIlroy, David Menendez and Dean Swalley all received Webelos badges and the Arrow of Light badge. The Arrow of Light is the badge for the highest rank in the Cub Scout program.

Pack 28 will conduct the Animal Walk at the Parkview PTA Carnival on Friday, May 3. The meeting concluded with refreshments provided by Dens Six and Four and the Webelos.

**Mother-daughter banquet at church**

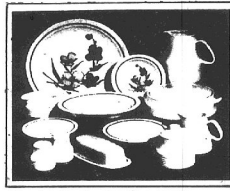

The annual mother and daughter banquet hosted by the United Methodist Church of Trinity Methodist Church attracted 100 members and guests held last week at the church. A musical and song program was presented by the Stepping Stones group from the church. Other entertainment during the evening was a skit by ventriloquist Lori Daniel and friend Rodney. She is a member of the North American Ventriloquist Club. The general meeting of the UNW will be held on June 27, it was announced.

## Honor Illinois State Mother

Mrs. George (Gertrude) Ross Reid of Carlinville, the 1978 Illinois Mother of the Year, was honored at an awards ceremony by the American Mothers Committee, Inc. of Illinois, held recently at the Elks Lodge in Carlinville.

Dr. Felicia Koch, a Granite City physician and a past Illinois Mother of the Year, is a member of the state committee. Mrs. Eva Jane Harper Folmer, Illinois State Mother, 1961, and president of the American Mothers Committee, Inc., presented Mrs. Reid with a national citation and Mother's Pin. Mrs. Marie Fleischacker of Chicago presented the AMC Citation of Merit.

Welcoming remarks were offered by Harold Link, Elks past exalted ruler, and Eugene Caselli, Lions president.

Mayor Pete Balotti of

Carlinville spoke in tribute to Mrs. Reid, together with Postmaster Joseph Dunn.

Presentation of "Mother of the Year Day" proclamation, issued by Governor James Thompson, was made by Ralph Rutherford, Lions' past district governor.

Offering the invocation and benediction, respectively, were the Rev. Thomas Gough, pastor of St. Mary's Catholic Church, Litchfield, and the Rev. Wayne S. Shipley, pastor of St. Paul Episcopal Church, Carlinville.

The 1978 Illinois Mother of the Year is the mother of 16 children, one of whom is deceased. She and her husband, George C. Reid, were married in 1936.

Mrs. Reid, 61, attended the Illinois Business College in Springfield and Illinois University, where her husband

earned a B.S. degree in music education. He taught public school music for the next 35 years in Carlinville.

In addition to her years of family, church, school and community service, Mrs. Reid has served as accompanist to her husband's musical groups and theatrical productions, including school groups and the Lions Club and Municipal Band, directed by Reid.

She is choir director and organist at St. Joseph Church, teaches piano and is active in the Women's Club, Parent-Teacher Association and St. Joseph Altar Society.

In Carlinville, the name of Gertrude Reid is synonymous with "music," those paying tribute to the new Illinois State Mother stated during the awards ceremony.

### Woman's Division plans May dinner

The Woman's Division of the Tri-City Area Chamber of Commerce will host a mother and daughter banquet on Thursday, May 11, at the Party House (formerly the NCO Club) at the Granite City Army Installation.

Dinner will be served at 6:30 p.m. followed by an entertaining program to be presented by the "Sweet Adeline Quartet."

Reservations for members and guests are being accepted at the Chamber office at 676-6400, according to chairman Mrs. Peggy Burch.

### MRS. MYRTLE BRUNS IS CLUB HOSTESS

Mrs. Myrtle Bruns was hostess to the Monday Afternoon Club, this week in her home, 2549 Washington Ave.

Those excelling in the games and winning prizes were Marie Perry, Marvel Clover, Vi Edwards and the hostess.

Others present were Theresa Walkenbach, Pauline Canham, Leona Parente and Margaret Richardson.

MR. AND MRS. GERALD F. SNIDER JR. Their wedding took place at the First Pentecostal Church, Waterloo, Ill. The bride is the former Miss Susan Garner, a daughter of Mr. and Mrs. William Garner of Columbia, Ill., and the groom is from Granite City.

## Susan Garner marries Gerald F. Snider Jr.

The First Pentecostal Church in Waterloo, Ill., was the scene of the wedding on April 7, of Miss Susan Garner, a daughter of Mr. and Mrs. William Garner, 206 Temple St., Columbia, Ill., and Gerald F. Snider Jr., a son of the Rev. and Mrs. Gerald Snider Sr. of Granite City.

Organist Mrs. Margaret Tucker accompanied the soloist, Mike Davis as he sang, "Sunrise, Sunset," "The Wedding Song," and "Time In A Bottle."

The father of the groom, Rev. Snider, pastor of the Apostolic Pentecostal Church in Madison, performed the double ring ceremony at 7 p.m.

Escorted to the altar by her father, the former Miss Garner wore a white formal length

bridal gown fashioned with a fitted bodice featuring a V-yoke of Chiny lace edged with a lace

ruffle, which also formed the stand-up collar.

The long lace sleeves were caught at the wrists with wide cuffs and lace ruffles. Her A-line skirt fell softly into a chapel train.

She wore a Juliet cap to secure her waist length veil of bridal illusion, bordered in matching lace and she held a cascade of white roses and baby's breath.

Matron of honor, Mrs. Wayne Davis chose a yellow princess style sleeveless knit gown worn with a sheer black tulle cape.

The bridesmaids, Miss Beverly Terry and Miss Linda Snider, a sister of the groom, were attired in identical gowns in green and lilac.

Each attendant wore a pie-plate hat and held a wicker basket filled with daisies and carnations, in hues to match their attire.

Barbara Kloess, a cousin of the bride, was the flower girl. She was dressed in a pink frock and also held a basket of various color blossoms.

Samuel Snider, a brother of the groom, was the ringbearer. Mindy Buck and Jonathan Davis, a nephew of the groom, served as miniature bride and groom. She wore a white gown and veil similar to the bride's dress.

The groom chose Wayne Davis as best man. Bill Snider and Steve Garner, brothers of the bride, were groomsmen. Seating the guests were Kevin Kloess, a cousin of the bride, and David Buckingham.

A reception was held at the American Legion Hall in Waterloo, after the service. Rev. and Mrs. Snider entertained the wedding party at a rehearsal dinner given in the church hall.

Lisa Kloess and Brent Bushong, cousins of the bride, served as guest book and program attendants, respectively.

Mrs. Garner selected a long shrimp color knit gown worn with a matching lace coat, and the groom's mother, Mrs. Snider appeared in a blue knit and lace coat ensemble.

They wore white carnation and rose corsages.

The bride is a graduate of Columbia High School and was formerly employed as a unit secretary at St. Elizabeth Hospital, Belleville. A graduate of Granite City High School, she is now a member of the Victory Quartet.

They are residing in Cahokia following a wedding trip to Florida.

Ronald Jackson's name first child Jennifer

Mr. and Mrs. Ronald Jackson of Florissant, Mo., became the parents of their first child, a daughter, born April 20 at Christian Hospital Northwest, St. Louis County.

The father was reared and educated in Granite City. He is the son of Mrs. Elma Jackson, 2054 Fourteenth St., and the late Richard J. Jackson.

Mrs. Jackson is the former Debbie Lynn, daughter of Mr. and Mrs. Donald Lynn of St. Louis. The maternal great-grandparents are Mr. and Mrs. Dee Lockwood of Florissant, Mo.

The new arrival has been named Jennifer Lynn. She weighed six pounds, three ounces.

## Six attend friendship luncheon in Indiana

The third annual Tri-State Business and Professional Women's friendship luncheon was held at the Executive Inn, Evansville, Ind., with Miss Annellen Smith, Illinois BPW membership chairman, Pauline Weir, Marionrose Lambert, Gladys Newman, Ruth Walk and Verna Lengyel, all of the Granite City BPW Club attending.

The 239 BPW members present, representing Kentucky, Indiana and Illinois, were welcomed by Susan Schmidt, past state president of Kentucky BPW.

Theme of the luncheon, "Keys to Happiness," was carried out in the programs and table decorations.

A special tribute was given to Carrie Jacobs Bond, who wrote "The Golden Key," the theme song of the National Federation of BPW Clubs.

A brief resume of Miss Bond's life was given by Mrs. Schmidt, and Donna Howard Pruitt of Evansville played and sang, "The Golden Key."

Special guest speakers were M. Fidella Doolin, Illinois BPW president, Elberta McFadden, Indiana state president, and Dorothy Middleton, Kentucky state president.

Miss Anabel Woodring, Illinois state recording secretary, led the singing of state songs as each speaker was introduced.

Special entertainment was presented by a group from Washington, Ky., and a duet by members of the Shelbytown (Ky.) BPW Club.

The fourth annual Tri-State luncheon also will take place in Evansville, Ind., it was announced.

My sincere appreciation to all the many friends and neighbors for their kindness shown to us at the time of death of my son, Eddie Hill Jr. My special thanks to my neighbors of 1100 block of Calhoun St.

THANK YOU, ROSIE E. HILL, MADISON, ILL.

## Earth science degree

A new bachelor of science degree with a major in earth science at Southern Illinois University at Edwardsville was approved Tuesday by the Illinois Board of Higher Education (IBHE).

Meeting in Chicago, the IBHE approved the new program with the stipulation that no new resources are requested for Fiscal Year 1979.

The degree will use courses that are presently being offered at SIUE in the department of earth sciences planning, School of Social Sciences.

University officials said the new degree is designed to prepare students for work in such areas as environmental protection agencies and also for graduate study in geology, hydrology, meteorology, environmental studies, and urban and regional planning.

Approximately 100 majors and 24 degrees awarded are anticipated by the third year of the program.

While the degree may provide the necessary course work for teachers, it is basically a non-teaching degree, university officials said.

The curriculum consists of 33 to 37 quarter hours of course work in the areas mentioned, including a number of field trips.

## Ethnic festival to be in Madison

The city of Madison again will hold an "Ethnic Festival" on Friday, Saturday and Sunday, Aug. 25, 26, and 27.

The event will be held in and around the Madison Memorial Center, Seventh and Lee streets, Madison.

Organizations interested in having a booth are asked to send a letter to the Madison Fire Department, 1329 Third St., Madison, marked to the attention, "Ethnic Festival."

The letter should state the type of stand desired with the name, address and phone number of a member of the organization who may be contacted. The stands are assigned on a first-come basis. All letters must be received no later than June 1.

## Mrs. McClintock is club hostess

The Past Masters Club of Granite Chapter 650, met on Monday at the home of President Betty McClintock with 11 members present.

During the business meeting, plans were discussed for a Thanksgiving party to be held on Nov. 6th, the place to be announced at a later date.

The next meeting will be a 12 o'clock luncheon at the home of Blanche Leuchter in Creve Coeur, Mo.

Vice-President Dorothy Brokaw was reported ill at home. Sadie Jones is home from the hospital and Mary Blibrey's mother is very ill in a hospital in Tennessee. Ida Cariss was welcomed back after spending the winter in Florida with her daughter and family.

Games were enjoyed and prizes were won by Clara Harbig, Virginia John, Hannah Kleinschmidt, Rachel Larsen and Florence Spohn. Also present were Arline Fox, Frances Williams, and Bess Heinen. Refreshments were served by the hostess.

## Women of Moose honor members

The Granite City Chapter of the Women of the Moose accorded special honors to Maxine Barnstable, Margaret Hester and Gerry Speck at its annual Academy of Friendship pot luck dinner, Wednesday evening at the Moose Lodge.

The honorees received their degree on April 9 in Decatur, Ill., at the Moose state convention.

A decorating motif was carried out in blue and gold, the friendship colors. After dinner games were played and each one present received a gift.

Others present were Veronica Wilson, Helen Davis, Sara Gusewille, Birdie Meyers, Alice Skaggs, Irene Kozma, Mary Driscoll, Velma Finney, Margaret Houseman, Edna Miller, Marian Lipcomb, and Deoni Warnhoff.

## State to honor 8

Governor James R. Thompson will present the 1978 Order of Lincoln Awards to eight Illinoisans at a convocation in the House of Representatives chamber in Springfield Saturday at 5 p.m.

The laureates include columnist Ann Landers, Dr. Robert G. Bone, educator and journalist Irving Dillard and Brooks McCormick, chairman of the board of International Harvester.

Regents awards would be presented to former Governors Daniel Walker, Samuel H. Shapiro and William C. Stratton and actress Celeste Holm.

## Belly dance classes at 'Y'

The YMCA will conduct belly dance classes for beginners and advanced students, starting Tuesday, May 8. Beginners will meet from 6:30 to 8 p.m. and the advanced class will be held immediately after from 8 to 9:30 p.m. for six weeks.

Vera Debolt will teach the art of belly dancing. The cost is \$8 for members and \$12 for non-members. Pre-registration may be obtained by calling the "Y" at 676-7200.

## Heimlich method is club topic

Members and guests of the Granite City Chapter 1340, of the American Association of Retired Persons executive board, viewed a demonstration of the "Heimlich" method of assisting a choking person at a meeting last week at the Township Hall.

Skip Parmley, registered emergency medical technician, of the Thomas Ambulance Service, through the American Red Cross office here, talked and demonstrated the various steps to assist a person who is choking. He provided an infant and adult mannequin to illustrate his presentation and concluded by discussing questions with the group.

After the program, Mrs. Elina Hoover, president, presided at a business meeting. In the absence of secretary Neva Wertha, who is recovering from a fall, her report was read by Vina Law.

Correspondence was read from Assistant State Director Vernice Walter relative to the spring workshop, and that Illinois Power Co. is offering free special programs, a trip to the St. Louis opera, Illinois Dept. of Business and Economic Development and national membership offices.

Program chairman, Mrs. Ruby Corbitt announced Francis Meyer of Belleville, will speak at the June meeting, and give a talk on "Crime and the Elderly." The topic emphasizes the gimmicks on defrauding the elderly. She added a picnic is planned for July and a one day trip in August.

Mrs. Carrie Hart reported on members in the hospital and Helen Bertacchi said that 30 people have registered for the "touch of nature" trip this month. Viola Lindner will be at the center to take reservations for the May dinner dance with the closing date set for Friday.

### Family doctors plan to discuss advanced study

More than a thousand family doctors, families and guests will be in Chicago this weekend to update their knowledge and skills and to assess the progress being made in training more family doctors. The Illinois Academy of Family Physicians will meet in the Hyatt Regency Chicago starting Friday night and continuing through Tuesday, May 9.

The training of more family physicians will be the prime topic for the Academy's Congress of Delegates, whose agenda will also include consideration of the new state law requiring postgraduate study at two-year intervals for the renewal of their license to practice medicine.

Continuing education for relicensure is not expected to cause any problems for the members because the Academy of Family Physicians was the first medical organization to require continuing education for membership. Each three years, members are required to obtain 150 hours of approved study, a total which easily meets the requirements of the

The majority of the meeting will be devoted to medical subjects — from arthritis to immune disorders — including a discussion on the use of Norpace for heart irregularities and Urokinase for pulmonary embolism. These are two newly released drugs which promise to be of help in life-threatening situations.

The five-day meeting is being sponsored by the academy, which represents 2,000 practicing doctors in Illinois. It is the academy's 30th annual meeting.

In the last eight years training programs for family physicians have grown from zero to 325, with 6,000 young medical people training to become family doctors.

# Inter-city Baseball season to start this Sunday

By PETE HAYES  
Press-Record Sports Editor  
GRANITE CITY - The 1978 Illinois Inter-city Baseball season is about to begin. Play will start this Sunday in the league which began operation in Granite City some 46 years ago.

Three Quad-City teams will participate in the league this time around. Mercers, Thomas and Mitchell. The Mitchell team is managed by Art Jovi and Jim Cromer, the Mercer squad by Ken Schaake and Thomas by Chris VonNida. The league is headed by

President Ollie Miller, who was elected to the post in 1968. Miller has been involved in the Inter-city League since 1956 when he broke in as an umpire. He became a manager in 1963, taking the reins of the old Pontoon Athletic Club team. In 1966, the Steelworkers Club bought out the franchise of the Pontoon Club and retained Miller as its manager.

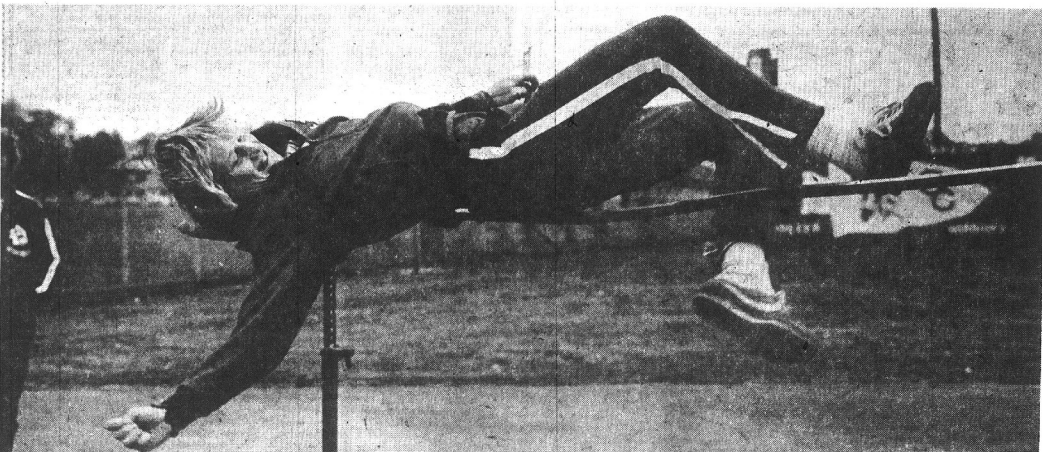

"I think we've got a very good brand of baseball in the league," said Miller. "There are players from many colleges and universities as well as those from the high schools around the area and some players who don't play organized baseball anymore, but are still tough players."

Other teams in the league are two from East Alton (the Vans and the Indians), the Wood River Brewers, Highland-Perrier, Maryville and Collinsville. The East Alton Indians, Collinsville and Maryville are new additions to the roster of teams this year. The league lost two teams from last year,

start at 1 p.m. Mercer and Thomas will play on Diamond 1 in Granite City's Wilson Park. Mitchell will play on its own diamond near the Mitchell School.

"There will be two divisions this year," said Miller. "The Red and the Blue." According to Miller, the Red Division will be made up of the East Alton clubs, Mitchell and Thomas. Mercer will head up the Blue Division followed by Wood River, Highland-Perrier, Maryville and Collinsville.

Collinsville was one of the first teams to join the league back in 1932," said Miller. "But they've been in and out of it since then. The team they have this year is the first one they've had in three years."

GREG FEIGL of South clears the bar in the high jump here yesterday during the Warriors' 74-67 dual track meet victory over the Tigers. Feigl placed third in the event.

The next action for South will be tomorrow in the Springfield Southeast Invitational.

## Warriors edge Edwardsville

GRANITE CITY — Granite City South's boys' track team used a strong overall performance to edge Edwardsville 74-67 in a dual track meet.

The South two-mile relay team won that event in a time of 8:57.0. Edwardsville's time was 9:34.6. But Edwardsville came back and took the 440-yard relay in 4:54. South's time was 4:59. ## South fails to Redbirds, 7-3

By DOUG IRVIN  
for the Press-Record  
Take an average Wednesday, add to it two good ball clubs and sprinkle sub-60 degree weather and light rain all over it and the combination yields a 7-3 last-inning loss for the South Warriors.

The third-rated Alton Red Birds rallied in the sixth and seventh innings after a good ball club. We got our game together and did it," said the coach of the Birds, about the game.

The Warriors had difficulty taming their pitcher, Tom Muhl started and lasted only three innings: 13 batters, three hits, and three strike outs. Dave Weir came in the fourth. Al Yount then Jeff Tretter in the fifth, and Link Harhart in the last.

## Warriorettes swamp Lady Trojans, 94-33

GRANITE CITY — Granite City North's girls track team had things pretty much its own way here Tuesday where it swamped Madison 94-33.

The Warriorettes 440 relay team won that event in 35.0. Madison's time was 55.2. The two-mile run was won by Veronica Williams of Madison in 15:49.1. Schelder of South was second in 14:05.9.

The South 880-yard medley team won that event in 2:04.4. DePew of South was second in 3:6.3 followed by Debbie

Engleman of South in third place. Susan Bell of South won the 100-yard dash in 1:25. Anna Turner of Madison was second in 1:27.

Laura Werths of South won the 880-yard run in 2:44.9 followed by teammate Betty Bernette in 2:55.9.

South's 880 relay team won that event in 1:59. Madison's time was 2:04.1. Chris Boyd of South won the 440-yard dash in 1:07.9. Bernadette Williams was second in 1:10.7.

# Steelers edge Collinsville, 80-61

COLLINSVILLE — Granite City North needed all the points it could get here yesterday afternoon as it edged Collinsville 80-61 in a dual high school track meet.

"We actually made it a close meet ourselves," said North coach Harry Lang. "There were several chances we had to blow them off the track, but we just didn't come through when we had those chances."

Notre Dame's distance is and placed high enough in some of the sprints to get enough points to overcome its poor field events performance.

The North two mile relay

team won that event in 9:03.6. Collinsville's time was 9:09.3.

North's Mike Baker was the winner of both the mile and two mile runs, though not in outstanding times. He took the two mile in 10:09 and the mile in 4:47.5. Greg Stout of North finished second in both events.

Lacopo of Collinsville won the 120-yard high hurdles in a time of 1:54.4. Kenny Brooks of North was second followed by teammate Ed Futch in third. North's Donok won the 100-yard dash in a time of 1:06.6. Reed of Collinsville was second

followed by Lyner of Collinsville in third place.

Dan Baer of North was the winner of the 800-yard run in 2:11. Russ Keeman of North was second followed by Steeler Jeff Joyce who finished a North sweep in the event by placing third.

Aaron Hickam of North was the winner of the 440-yard dash in 53.3. Stites of Collinsville was second followed by Camillo of Collinsville in third.

North's Kevin Burchie won the 30-yard low hurdles in 42.2. Lacopo of Collinsville was second followed by teammate Kuegler.

Reed of Collinsville won the

220-yard dash in 24.1 followed by North's Kevin Buchanan in second and Don Cook in third.

North's mile relay team won that event in 3:43.5. Collinsville's Stites won the triple jump with a leap of 39 feet, four inches. Futch of North was second followed by McFarland of Collinsville in third place.

McFarland won the discus throw for the Hawks followed by North's Jeff Dugan and Long of the Steelers.

Sleaves of North was the winner of the high jump with a height of five feet, eight inches. Ray Burton of North was

second followed by teammate Boatman in third.

John Kefalas of North was the lone North field event winner. He took the honors in the pole vault with a leap of 12 feet. Cox of Collinsville was second followed by Robinson of North in third.

Gaumer of Collinsville won the shot put with a distance of 42 feet, seven inches. Stites won the long jump with a distance of 20 feet, 1 1/2 inches.

The next action for the Steelers will be tomorrow afternoon when they travel to Springfield for the Springfield Southeast Relays beginning at 4 p.m.

## North girls smash Althoff

GRANITE CITY — The Granite City V School North girls' track team notched a victory here Monday afternoon over Belleville Althoff, 76-57. North's Leslie McIntyre was the winner of the discus throw with a toss of 70 feet, 3 1/2 inches. Evelyn Pates of North was second at 24 feet, 3 1/2 inches followed by Jan Trageser of Althoff with a toss of 24 feet, two inches.

Ford also won the long jump with a distance of 17 feet, 3 1/2 inches. Rhonda Schilling of North was second at 14 feet, 7 1/2 inches followed by Isom of Althoff at 14 feet, 1/2 inch.

Cindy Gessler of North won the high jump with a height of four feet, seven inches. Chris Fabersher of North was second at four feet, six inches followed by Linda White of Althoff at four feet, one inch.

The North 400-yard relay team of Schilling, Ford, Clara Bates and Dana Ollis won that event in a time of 54.8. Althoff's time was 55.2. The same group got together and also won the 800 relay in 1:57. Althoff's time was 1:58.3.

Breidenback of Althoff won the two-mile run in 14:30. Cheryl Jamison of North was second in 17:55.6 followed by Monica Wadiow of North in 17:56.

Along with experienced instructors, players from four collegiate soccer powerhouses will tutor boys at this summer's Burt Ranch Soccer Camp.

The camp, for boys aged 8-16, will hold two one-week sessions July 9-15 and July 16-22 on a 214-acre site near DeSoto, Mo., about 35 miles south of St. Louis. Collegians will join the Burt Ranch staff from Quincy

Barb Miller of North was the winner of the 220 low hurdles in 35.3. Rottel of Althoff was second in 36.7 followed by Deanna Epps of North in 36.3. North's Clara Bates was the winner of the 100-yard dash in 12.3. Wattawa of Althoff was second in 12.6. Brauer of Althoff was third.

White of Althoff was the winner of the 800-yard run in 2:40. Toni McCann of North was second in 2:42 followed by

Althoff's Trageser in 2:45.

Sahr of Althoff was the winner of the 400-yard run in 1:07. Nester of Wolf was second in 1:16 followed by North's Laura Howard in 1:13.1.

Kay Markum of North won the 110-yard low hurdles in 17.1. Margie Verschuyt of North was second in 19.6. Lanter of Althoff was third. Bonnie Williams was the winner of the mile run in 6:20. Breidenback of Althoff was

second in 6:24.4 followed by McCann of North in 6:45.1. Rhonda Schilling of North won the 220-yard dash in 27.8. Wattawa of Althoff was second in 28.4 followed by North's Ollis in 28.3.

Althoff's squads won both the mile relay and the 800 medley. Their time in the mile was 4:46 (North's was 1:58.3) and their time in the 800 medley was 2:02.5 compared to North's 2:17.4.

## Burt Ranch Soccer Camp set for summer sessions

(Illinois) College, the defending National Association of Intercollegiate Athletics champion; Southern Illinois University at Edwardsville, which finished third in the NCAA Division I playoffs; perennial NCAA power St. Louis University; and Memphis Community College, the 1976 national junior college titlist and the 1977 runnerup. They will help instructors Pat

McBride, a 10-year veteran of the North American Soccer League and head coach at Meramec; Bob Brunette, athletic director of the Affton School District in suburban St. Louis and coach of the Busch Soccer Club Senior team; and Rick Benben, assistant coach at SIU-Edwardsville. McBride and Brunette are co-directors of the camp. Students stay at the camp

fulltime, with lodging in modern wooden dormitories and meals served in a ranch-style dining hall. Facilities also include a full-size playing field, drill areas, and an Olympic-size swimming pool. Tuition is \$120 per week and includes room, meals and insurance. For more information, those interested may write Burt Ranch Soccer Camp, 731 Davenport, St. Louis, Mo. 63125, or call (314) 631-7114.

## Madison annihilates Venice, 12-1

By PETE HAYES  
Press-Record Sports Editor  
MADISON — The Madison High baseball team unleashed a powerful hitting barrage on

hapless Venice here Tuesday and walked away with a 12-1 victory in five innings. The game was called in the fifth because of the 10-run rule.

"We're getting some key hitting now," said Madison coach Bill Campbell after the onslaught by his Trojans. "We're not exactly where we

wanted to be at this point of the season, but I think we're coming along and could be ready by the time regionals start."

VENICE got the scoring started in the first inning when Kevin Wigfall walked, went second base on a passed ball and scored on a single by Venice pitcher Ed Fleig. The score stayed that way until the third inning when Clinton Sensibaugh of Madison singled, stole second and scored on Joe Piechocinski's single, after Tony McDonald reached base on a single.

Mack Watt then tripled Piechocinski and McDonald home.

IN THE FOURTH INNING, Madison catcher Ed Burns reached base on an error by Venice shortstop Raymond Matkins and then stole second. After Ed Fursta and Sensibaugh struck out, Robert Niehaus of Madison reached base on an error by Venice third baseman Raymond Long and McDonald singled home Burns.

Piechocinski then singled home Niehaus and McDonald. Juan Gardiner was hit by a pitch. Long reached base on another error by Long and Rayton doubled both of them home.

In the fifth inning, Forrister walked, stole second and went to third base on a passed ball by Venice catcher Frank Pace. Sensibaugh walked and McDonald homered down the right field line to score Forrister and Sensibaugh ahead of him and end the game with nobody out in the bottom of the fifth.

"WE WERE coasting along playing pretty good ball until we made a couple of errors and then got down on ourselves," said Venice head coach Ken Perkins. "It just seems that we have that problem. A lot of our problems isn't lack of skill it's just lack of confidence."

The next action for Madison will be this afternoon at Granite City North in a makeup game of a contest which was rained out last month.

KEN PERKINS GIVES INSTRUCTIONS TO HIS SQUAD

## Perkins rebuilds —with patience

By PETE HAYES

Press-Record Sports Editor  
VENICE — Ken Perkins is a patient man. He has to be. Perkins is the head baseball, basketball and cross country coach at Venice High School. His basketball team finished the season with a 5-16 record and his baseball team is currently mired down in a 1-6 season. But he's optimistic. "Heck, it's just like starting a program from the ground up," said Perkins of his baseball crew. "We've won one game and it's probably the first game Venice has won since 1972 or '73."

TUESDAY, Perkins' Venice nine fell to cross-town rival Madison by a 12-1 count in a game called in the fifth inning because of the 10-run rule. It was a game typical of several of the Venice losses this year.

"We played pretty good ball for the first three innings," said Perkins. "But we started making some errors, we got down on ourselves, and one thing led to another."

"We really have to work on the fundamentals of the game," he added. "Most of the kids on the team haven't had an awful lot of experience and it's hurt us."

"BUT it's not the kids' fault. They're out there trying and that's all I can ask

of them. I've got a lot of admiration for these guys. "The thing that hurts is that down here (Venice) there isn't much of a lower-level program for little kids who are learning baseball," he said. "In Granite City, their program is just as professional as any I've ever seen. I coached baseball and football in it for five years and I wish we could get something like it going in Venice."

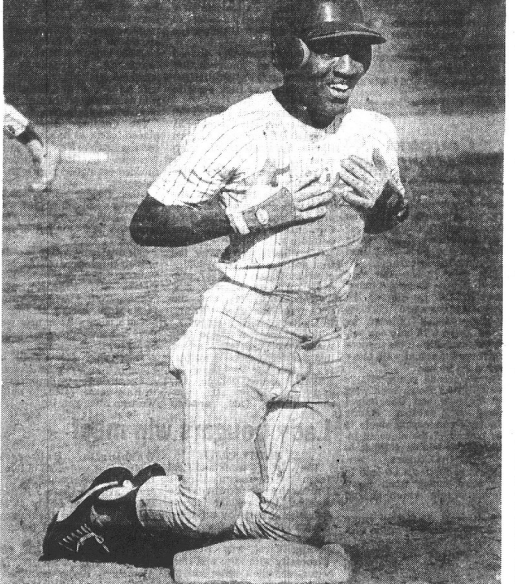

PERKINS headed into the current baseball season on the heels of the basketball season. How does he feel about that?

"I wish it hadn't been so close," he said. "By the time we got started, we were behind the other schools in development and I would have liked to have had a little time to relax between basketball and baseball."

Perkins inherited the task of rebuilding the Venice sports program (i.e. the basketball program) into what it once was... state championship material.

"We've got to get new cross country uniforms for next season, baseball warm-up jackets, and we've got a 15-game schedule for baseball and another full one for basketball which will require lots of traveling."

But Perkins, if things turn out like he thinks they will, will reap the benefits of all his hard work soon.

DUSTING HIMSELF OFF Tuesday afternoon against Venice is Madison's Mack Watt after tripling in two runs during the Trojans' 12-1 victory over the Red Devils.

## Baseball, softball supervisors needed by GC Park District

The Granite City Park District is now accepting applications for the positions of baseball and softball supervisors for this year's season. The position of softball supervisor requires a person with general knowledge of the sport and with scorekeeping ability. The person would be in charge of one of the three softball fields utilized by the Park District and would keep score for the games at that field, schedule rain-out or make-up games, and keep the team standing in the particular leagues that play at that field.

The position of baseball supervisor requires a person with general knowledge of the

sport who is able to put in about 25 hours a week. The person is required to attend all baseball games in the park leagues, schedule rain-out or make-up games, make up umpires schedules, set up and attend Rules and Protest Committee

meetings, and be able to work well with the public.

For further information contact the Granite City Park District office at 877-3059. These positions are available for immediate employment.

## Quarter Midgets to begin this weekend

O'FALLON — The Southern Illinois Quarter Midget racing club will begin its 1978 season here this Sunday at O'Fallon Jaycees Park. The time trials begin at 1 p.m. Quarter Midget racing involves boys and girls, ages 5 to 16 in small versions of their larger midget cars racing on a small oval dirt track.

This Sunday, the Indianapolis 500 Pace Car will be at the park to help kick off the season. There are several families from all over the area who have youngsters racing in the events. For more information, those interested may call Darwin Koach at 931-2657 or Vallie Schneider at 344-0056.

## North girls finish second in tri-meet

**GRANITE CITY—** The Granite City North girls track team finished second here Thursday in a triangular meet with Collinsville and Wood River. Collinsville won the meet with 64 points, North had 56 and Wood River 44.  
Collinsville's Melinda Hopper won the discus with a toss of 96 feet, one inch. Hopper of Wood River was second at 89 feet, five inches and her teammate Stevens was third at 85 feet, 10 inches.  
Linda Bugg of Collinsville was the winner of the shot put with a toss of 32 feet, 9 1/2 inches. Wheaton again was second at 31 feet, seven inches. North's Dawn Ford was third with a toss of 30 feet, 7 1/2 inches.  
Cindy Goeller of North won the high jump when she cleared four feet, eight inches. Chris Fabisher of North was second at four feet, six inches. Wood River's File was third with 4 feet, 4 inches.  
Jackie Reynolds of Collinsville was the winner of the long jump with a distance of 16 feet, 10 inches. Ford was second for North at 16 feet and teammate Rhonda Schilling was third at 15 feet.  
The Steelerettes' 440 relay team was the winner of that event in a time of :54.7. Team members are Schilling, Ford, Clara Bates and Dana Ollis. Wood River was second at :56.7 and Collinsville's time was :56.9.  
Elciea Martin of Collinsville was the winner in both the mile and two-mile runs. She won the mile in 5:53 and the two-mile in 12:37. Huber of Wood River was second in the two-mile at 14:41, followed by Eberhardt of Wood River at 14:48 and North's

Cheryl Jamison in 15:16. Tie of Wood River was second in the mile in 6:32. McKinney of Wood River was third and North's Chris Clay was fourth in 7:04.2.  
Collinsville won the 800-meter race in 2:02 followed by Wood River (2:04) and North (2:07).  
Lori Coleman of Collinsville won the 220-yard hurdles and the 110 hurdles. Her time in the 220 was 3:22. McKinney of Wood River was second in 3:54 followed by teammate Margie Verschuyl in 3:51. Kay Markam of North was second in the 110 in 1:47 followed by Wood River's Marlene in 1:48.6.  
North's Mary Ann Votopol was the winner of the 110-yard dash in :13.9. Drainer and Elrod of Wood River were second and third.  
Peggy Wells of Collinsville won the 800 in 2:34 followed by Toni McCann in 2:41.1 and Mae of Collinsville in 2:43.6. North won the 800-yard relay in 5:09.4, followed by Wood River in the 440 relay. Collinsville was second.  
Patti Tiddy of Collinsville was the winner of the 400-yard dash in 1:06.4. Stevenson of Wood River was second, Kay Coleman of Collinsville third and Barb Miller of North fourth in 1:09.4.  
Dana Ollis of North won the 220-yard dash in :28.8 followed by Tiddy and Votopol in :29.1 and :29.2 respectively.  
The mile relay was won by North's team of Deanna Eggs, Kathy Kalka, Stephanie Winfield and Laura McKee in 4:42. Wood River was second (4:49) and Collinsville was disqualified.

## Cougar golfers win own tournament

**By JERRY DEVANY**  
The Southern Illinois University at Edwardsville Cougars' golf team won their invitational golf tournament this past weekend.  
The Cougars shot an average 72.6 strokes per player in the 36-hole tourney. SIUE had a team score of 581 as they posted their fourth title in six tournaments. The Cougars have yet to lose to an NCAA division II or college team this year.  
The invitational was divided into 18 holes at Tamarack Golf Course near O'Fallon and the final 18 holes at Belk Park in Wood River.  
The Cougars took a six-stroke lead after the opening round as they led Western and Eastern Illinois by a 287 to 293 team score.  
The individual leader after the first round was SIUE's Tim Gehrig, who burned up the Tamarack course with a three-under-par 68. Gehrig led Tom Parsons of Principia, who posted a 70.  
Other SIUE scores after the first round were: Guy Phillips of Belleville, 72; Les Agne, also of Belleville, 73; Dave Dean of Edwardsville, 74; and the eventual medalist, Mark Hofstetter of Springfield, 76.  
Team scores after the first round were SIUE, 287; Western and Eastern, 293; Principia, 296; UMKC, 298; Washington U., 303; McKendree College, 364; and St. Louis U. was disqualified (not enough

players). SIU-Carbondale 'did not show up.'  
With their seventh-shole lead after the first round, Friday, the Cougars took command on their home course, Belk Park, and made a runaway of the tournament.  
The Cougars won by 18 strokes over the runner-up, the Western Illinois Leathernecks. Hofstetter rallied with a super round of 69 over the tough Belk course to take the individual medalist laurels as he edged his teammate, Tim Gehrig, of Highland. Both players finished with a 145 total, and Hofstetter won by winning on the first hole of a sudden-death playoff.  
The Cougars' Dave Dean placed fourth as he also lost in sudden death to Terry Flynn of Western as both players finished regulation play with a 146 score.  
Other Cougar scores were: Agne 145 and Phillips, 152. The team scores were compiled from the best four out of five players.  
The final team scores in order of their finish were: SIUE, 581; Western, 599; Eastern, 609; Principia, 611; McKendree, 623; Washington U., 638; and McKendree College, 737.  
The Cougars have now won their own invitational two years in a row.  
Their next action will be Monday (May 8) as the Cougars of Coach Harry Gallatin travel to Kalamazoo, Mich. to battle Western Michigan U.

## Lady Cougars win meet

**By KATHY SMALL**  
The women's track and field team at Southern Illinois University at Edwardsville finished the regular season Saturday at home by capturing second place in their own triangular meet with 38 1/2 points. First was Bradley University with 78 1/2, and third was Greenville College with 23.  
The young first-year SIUE squad enjoyed a more than respectable season, and there is promise of a well-rounded team next year. The limited schedule was just enough to give the squad much-needed experience.  
SIUE captured fourth place out of seven teams at the

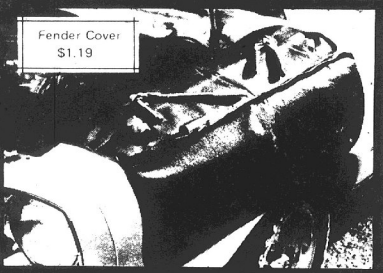

Washington University Invitational, were first of five at the SIUE Invitational, fourth of five at Northern Illinois University, first of six at the Principia College Invitational, and again, second of three at home Saturday.  
Saturday, the SIUE 800-meter relay team of Pat Alemond, Leslie and Jamie Hundley, and Annette McCaster finished first with a time of 2:02.2. The same team finished second in the 440-yard relay.  
Cougar freshman Chris Bugala, holder of the Missouri state high school record in the mile run with a time of 5:11.09, captured first place in the mile run with a time of 5:35. She finished second in the half-mile.  
First was SIUE's Debbie Condon with a time of 2:29.9. Alemond placed first in the 220 yard dash for SIUE. Her time was 28.5.  
Junior Kim Wheeler threw her season best in the discus — a toss of 103'3/4" — which was a first place toss for SIUE. She also took second in the shot put.  
Carol Douglas took third in the discus, placed third in the high jump, and posted a third in the 100-meter hurdles. Leslie Hundley tied for third in the 100-yard dash and placed third in the long jump.  
This year's women's collegiate state track and field meet is scheduled May 11-13 at the University of Illinois-Urbana.

## Role for young in public life—Dixon

Age 18 is not too soon for young men and women to consider running for public office, Alan J. Dixon, Illinois secretary of state, said in remarks prepared for a Belleville East High School Distributive Education Club dinner today. His niece, Sandra L. Dixon, is vice-president of the club.

"Because young people are better informed, they are now entrusted at an earlier age with responsibility in public affairs," Dixon said.

"Since the 26th Amendment gave the franchise to Americans 18 years old, high school seniors are arriving, or have arrived, at voting age. Last year, a high school senior, Mike Blongren, 18, was elected village president of Stillman Valley, in Ogle County.

"In the school board elections of April 8, some high school seniors ran for membership on the bodies which fix policies of the schools they attend. Some of them won.

"This is as it should be. High school students today are the best educated, most mature of all time.

"When I was a high school senior, we were not allowed to vote. But when I reached 21, the voting age, I ran for police magistrate and won, in Belleville.

"It is never too soon to begin participation in public affairs. Young people do not yet fully sense the power of the ballot box. They do not vote, or register to vote, as well as do their elders.

"I hope young people will not only vote but will consider running for office.

## Fulbright deadline

According to the SIUE Office of Research and Projects, the Council for International Exchange of Scholars has announced that applications for 1978-80 Fulbright awards for university teaching and advanced research are being accepted.

About 500 awards will be available to Americans during the 1978-80 program year. Deadline for Africa, Asia and Europe is July 1, 1978.

About 75 percent of the awards are for university teaching, and there is usually time for some research. Most research scholars also give some lectures or seminars, according to David G. Brown, assistant dean of the SIUE Graduate School.

The academic year emphasis and the broad spread of subject fields continue. There also are a number of awards for short-term appointments and for travel grants to those with financial support other than the Fulbright program, Brown said.

The subject areas most extensively represented during this year's program have included: agriculture, American history, economics and management; chemistry and physics; computer science.

Also, education; engineering; environment and ecology; geology; law; library science; linguistics and English as a foreign language; journalism and mass communications; mathematics and statistics; medicine; political science and public administration; psychology; and urban and regional planning.

Additional information and application forms may be obtained from the Council for International Exchange of Scholars, 11 Dupont Circle, Washington, D. C. 20036.

ST. LOUIS UNIVERSITY COMMENCEMENT MAY 13 St. Louis University will hold commencement ceremonies for 1,425 students at 10 a.m. Saturday, May 13, in Kiel Auditorium. The conferral of degrees will bring the total number of degrees awarded during the 1977-78 academic year to 1,921.

The Rev. Edward J. Drummond, S.J., university president, will confer the degrees and address the graduates. Cardinal John Joseph Carberry will present his greetings. Members of the class of 1978, who will be celebrating their golden reunion, will be recognized at the ceremonies, which will highlight observance of the university's 160th academic year.

## Apartment burglary

Wanda Chancellor, 2014 Washington Ave., Apt. 8, reported at 4:10 p.m. Monday that her apartment was burglarized by forcing open the door and a nine-inch television, valued at \$60, and a long telephone cord were stolen. A metal latch forced from the door later was found in a rear yard.

Mrs. Chancellor said neighbors reported seeing a man and a woman leaving the vicinity of her apartment, but later they retraced their statement when questioned by police.

A suspect was interviewed by officers, without results, at 5:30 p.m. Monday.

MR. AND MRS. JOHN G. MUCHO, 3015 Myrtle Ave., who celebrated their golden wedding anniversary at a reception given by their children at the Grand Cafe Annex.

## Golden anniversary of Mr., Mrs. John Mucho

Mr. and Mrs. John G. Mucho, 3015 Myrtle Ave., were guests of honor at a dinner given during the weekend at the Grand Cafe Annex in observance of their 50th wedding anniversary.

The couple also has 16 grandchildren and one great-grandchild. Mr. and Mrs. Mucho were married on April 28, 1928, at St. Joseph Roman Catholic Church. They are now members of St. Margaret Mary Parish.

Mr. Mucho was employed at American Steel Foundries prior to his retirement in 1968. The couple also has 16 grandchildren and one great-grandchild.

MAY FELLOWSHIP DAY. Church Women United members prepare for their part in the May Fellowship Day program Friday, starting with registration at 10:30 a.m. at St. Mary's Catholic Church, Madison. From left to right are Ruth Todd, Marcia Jackson, Marie Gordon and Marion Pierson, CWU president. All women are invited to attend the 11 a.m. worship service. A salad luncheon at noon will precede the afternoon fellowship segment.

## May Fellowship Day Friday

At this year's May Fellowship Day service, scheduled Friday at St. Mary's Catholic Church, 10th Street and Alton Avenue, Madison, Church Women United will celebrate the fact "we are a visible and ecumenical community of those who declare Jesus Christ as Lord and Savior, who seek to add our love in volunteer service to others."

The worship service will commence at 11 o'clock, followed by a salad luncheon at noon.

Children in the first, second and third grade classes at St. Mary-St. Mark School will entertain the group with singing and presentation of a Maypole dance in the afternoon.

Also taking part in the program will be Mrs. Marion Pierson, CWU president, presenter of "present promises," Mrs. Ruth Todd, presenter of "past promises," Mrs. Marcia Jackson, presenter of "the promise," and Mrs. Marie Gordon, presenter of the "national promise."

Mrs. Pierson noted that Church Women United has a long history of volunteer service in the areas of citizen action, criminal justice, health care, alleviating hunger, education, intercontinental mission grants to others and Women in Community Service (WICS).

"On May Fellowship Day, as we review that history, we remember that at the close of World War II, the CWU

organization sent boxes of school supplies behind the closing Iron Curtain to courageous parents whose children were being taught truth and freedom in small schools which began before dawn."

"In return, we were sent straw stars, held in shape by pieces of twine, which had been wrapped around our boxes, and a simple message — 'Remember the sun which ripens your wheat also ripens ours,' the officer related.

"In the community, we remember the new mother in need by giving her a layette, a school child with new clothing and children needing help in school to find a friendly tutor," Mrs. Pierson said.

May Fellowship Day is the time we highlight the activities of local CWU units and examine the creative relationships that are present or possible in each community. Mrs. Engleke explained.

The offering taken at the annual program is used by each local CWU unit for community and state concerns, she pointed out.

This year's May Fellowship Day celebration recognizes that "all service to others must flow from the full cup of our individual lives," the CWU officers said.

"Each woman attending makes a covenant with another to keep the cup filled by promising 'to pray for you that you may be given vision and strength as you involve yourself in voluntary service... to comfort you when you suffer or lack courage, to cherish you when your interest and enthusiasm spread out to others and catch them up in your vision of a better world and... to love you because you are as valuable and precious to God as these you will serve,' Mrs. Engleke stated.

All women in the Quad-City area are invited to attend Friday's special program at St. Mary's Church, Mrs. Pierson said.

## Miss Nancy Bezan is 'Secretary of Year'

Miss Nancy Bezan was named "Secretary of the Year" of the Tri-Cities Chapter of the National Secretaries Association (International) at its annual Secretaries Week Banquet, held last week at Cheshire Inn, St. Louis.

Chapter President, Gail Foley, CPS, welcomed the guests and spoke briefly on achieving professionalism in secretarial careers.

Dr. Richard Stoppel, Director of Business Communication, Southern Illinois University at Edwardsville, was the guest speaker. Entertainment was provided by Mark Kondratic, magician.

Miss Bezan was presented with a dozen red roses and a Secretary of the Year certificate by Mrs. Peggy Moore, retiring SOTY. Other past SOTY's recognized were, Mary Sedekum, Jane Davis, Twila Edmonds, Gail Foley, CPS, Sally Gracey, Joyce Savich and Lana Randolph, CPS.

Miss Bezan who resides at 3145 Myrtle Ave., is a 1976

NANCY BEZAN

graduate of Granite City South High School, where she was an active member of the Future Secretaries Association, and is employed at Lindsay Construction as secretary to L. E. Lindsay, president.

Other activities sponsored by the Tri-Cities Chapter in observance of Secretaries Week included attending mass at St. Mary's Catholic Church in Madison, followed by a brunch at Ruston's Restaurant in Collinsville on Sunday, an informal "kick-off" at Charlie's Restaurant on Monday; and a membership tea at Sider's Supply on Saturday. On secretaries day, Wednesday, April 26, a red carnation was delivered to each member by the secretaries week committee. Serving as this year's committee were, Harriett Hamilton, chairman, Becky Batson, Nancy Bezan, Kathy Jones, Marabeth McConnell, Judy Novosel and Kathy Therien.

### OUTDOOR SERVICES FOR MOTHERS DAY

Mother's Day (May 14) will be celebrated at the National Shrine of Our Lady of the Snows outdoor amphitheater at the 8:30, 10 and 11:30 a.m. liturgies. A father and a son have been invited to share their perceptions of motherhood at these morning celebrations. Dr. John Rider, father of two and SRE professor of mass communications, will play a father's view of motherhood. John Cecil Thrasher, a senior at St. Henry's Seminary, will present a son's perspective.

Announcing a remarkable new air conditioner that runs on up to 25% less electricity than previous models:

### The Bryant Quietline Deluxe

It's the most efficient air conditioner Bryant has ever built. And the quietest and most reliable, too.

There's more insulation in the cabinet. A heavy-duty compressor that's both isolated and insulated. An energy-saving two-speed condenser fan. Plus special devices to protect the unit from unusual changes in temperature, pressure and voltage.

As you might expect, the Quietline Deluxe costs a little more initially than ordinary air conditioners. But with savings of up to 25% in operating efficiency in the long run it'll cost you a lot less.

Call today for a free, no-obligation installation estimate on the remarkable new Bryant Quietline Deluxe—the air conditioner designed especially for the times we're living in.

## McKee heads Lions Club at Pontoon

Larry J. McKee, 26, of 2529 Delmar Ave., an employee of the Illinois Power Co., has been elected president of the Lions Club of Pontoon Beach for the club year 1978-79.

McKee will take office July 1, succeeding the retiring club president, Richard G. McIntosh.

McKee will become the fifth Pontoon Beach Lions president since the club was chartered in 1973, following F. D. Moss, 1973-75, Jerry W. Henderson, 1975-76, Donald D. Patrick, 1976-77, and McIntosh, 1977-78.

Other officers elected who will make up next year's board of directors are Vice-President George Goodwin, 180 Sandy Shore Drive; second vice-president, Ken Carver, Highway 162, Box 362; secretary, Donald D. Patrick, 3819 Pontoon Road; treasurer, Chester E. Dean, 4204 E. Lake Drive; Lion tamer, Frank Matyas, 5209 Lakeview Drive; tail walker, Ed Finazzo, 4117 South Drive; directors for two-year terms, Vince Thorpe, 4144 Lake Drive and Robert L. Carroll, 2534 Spaulding Ave.

President McIntosh will become the immediate past president and Loren Madison serving his second year as director will complete the board of directors.

President-elect McKee is now

LARRY J. MCKEE

serving as vice-president, chairman of the building committee, chairman of the activity and fund raising committee and served as co-chairman for the annual Lions Candy-Day campaign held in October. He received the October membership award.

McKee and his wife, Mary, have a 7-year-old son, Jason.

President-elect McKee and other officers will be installed at the annual Pontoon Beach Lions Officers Installation and Community Awards Dinner Monday, June 26. Past District

Governor of Illinois Lions District I-G, Mel Schuchardt of the Godfrey, Ill., Lions Club will preside as installing officer.

Other events at the annual dinner will be presentations of Past President Awards, Lion of the Year Award, the third Pontoon Beach Citizen of the Year Award and awards to the local Long Lake Volunteer Fire Department and the Pontoon Beach Police Department and local youth groups.

**NEW COMMANDER FOR AEROMEDICAL AIRLIFT**

## Student loan exit interview

Students who have received national direct student loans or nursing student loans while attending Southern Illinois University at Edwardsville must arrange for an "exit interview" before graduation, according to Ken Hacker, bursar.

Purpose of the interview is to discuss the indebtedness of the students and to advise them of the terms and schedule for repayment of loans.

According to Betty Volz of the Bursar's office 692-3080, graduating students may be eligible for certain cancellations and deferments that they may not be aware of.

The exit interviews are required in order to comply with federal regulations, Mrs. Volz said.

## Plan second stop-smoking clinic; will begin May 8

The YMCA will host a second five-day plan to stop smoking without gaining weight. The clinic will be conducted from May 8 through May 12 daily, with sessions from 10 to 11 and 8 to 9 p.m. Monday through Friday.

The five-day plan to stop smoking includes health hints everyone can use with profit. The program is geared to help people quit smoking and is based on quitting "cold turkey."

Hunter Crigler, instructor of the clinic, has predicted 50 percent of the people signed up will have stopped by the third day and by the fifth day 97 percent of the people will have stopped smoking.

All persons participating in the clinic will be put on a detoxine program. Everyone will be put on a nutrition program that will prevent any weight gain.

Health tips suggested are eating a good breakfast, eliminate between-meal snacks, reduce intake of animal fats and get regular and moderate exercise to name a few, a spokesman said. Another key asset of the program is that it is a group therapy process, he noted.

Registration is \$10 which covers the cost of materials received. Pre-registration may be obtained by calling the "Y" at 876-7200. The clinics are limited to a certain number of people.

The success of the previous clinic and the response of Quad-Cities residents indicates an overwhelming demand for a second clinic to be held, the spokesman said. Those who could not make the initial clinic will be given a second chance to "choose not to smoke."

CERAMIC SCULPTURE is worked by Mary Jo Decker, a senior art student at Granite City High School South. Her work will be included among displays at the school's Fine Art Festival which will open at 7 p.m. today at the school. Senior art majors will exhibit their work individually in the halls and the undergraduate art students will have their work on display in the art rooms. A band concert beginning at 8 p.m. will be presented in conjunction with the event.

ADVANCED ART STUDENT Angie Mosby puts the finishing touches on an oil painting that will be displayed at the Fine Art Festival to be presented by Granite City High School South students today beginning at 7 p.m. More than 1,000 pieces of art work by the combined art classes will be exhibited. A band concert will be given in conjunction with the show, beginning at 8 p.m.

SELF PORTRAIT by Cassie Schooley will be shown as one of more than 1,000 art exhibits at the Fine Art Festival beginning at 7 p.m. today at Granite City High School South. The school's music and art departments will present the program which will include a band concert beginning at 8 p.m.

## Laclede Steel sees uptrend

Laclede Steel Co. President Paul B. Akin said last week that net sales from continuing operations were 32 percent higher in the first quarter of this year than they were in the same period of last year. Pretax earnings were just over \$1 million.

"These pretax earnings are well above those of the 1977 fourth quarter, and naturally they are better than last year's first quarter pretax loss," Akin said.

The improved earnings result from increased sales of our industrial products, and our sales volume now is at a fairly high level.

"Although we have not yet completed our program of producing higher quality and higher margin steel products, it is progressing well and will result in better earnings as we eliminate more of our present low margin items."

"We anticipate further improvements in earnings in the second quarter."

"We are reluctant to predict third and fourth quarter business conditions now, however, as the effectiveness of government's efforts to curtail the dumping of foreign steel in this country is not yet clear," Akin concluded.

## Spring House Tour Sunday afternoon

The fourth Spring House Tour, sponsored by the Downtown Neighborhood Restoration Society, and an Arts and Crafts Fair will be held Sunday, May 7, from 1 to 5 p.m.

Included in the tour will be five homes located at 2230 Cleveland Blvd., 2237 Cleveland Blvd., 2158 Cleveland Blvd., 2118 State St. and 2209 Delmar Ave., and the First Baptist Church at Delmar Avenue and 21st Street, according to the chairmen, Mrs. Jan Harmon and Mrs. Edith Mitzel.

Tickets for the house tour may be purchased in advance for \$2.50 from any member of the organization or on the day of the event for \$3 per person.

The Arts and Crafts Fair will be set up on the 24th Street parkway between Cleveland Boulevard and Delmar Avenue. A variety of unusual items will be offered for sale in separate booths and refreshments and entertainment will be available during the afternoon project.

## Grand master of Masons to visit

## Carl Kittel heads Catholic Charities

Quad-Cities Catholic Charities' annual dinner meeting of the board of directors took place last week at St. Mary's Parish Hall, Madison. The invocation was given by the Rev. Maurice J. Quilligan, director of Madison County Catholic Charities.

Carl Kittel was installed as president of the board for the coming year, with Mrs. Grace Range as vice-president and Alex A. Schenoff as treasurer.

New board members elected for three-year terms are John Lee III, Mrs. Louise Lewis, James Patterson, Mrs. Peggy Koepfer, Mrs. Janet Polach, Mrs. Ella Scott, Albert Zarlingo and Emanuel Valencia.

Retiring board members are Andrew J. Warko, Mrs. Dorothy Votupal, Mrs. Lorraine Parkinson, Mrs. Genevieve Hellrich, Robert Hildebrand, Thomas Nesbitt, Mrs. Jewel B. Young and William Connolly.

The treasurer's report for the first three months of 1978 showed disbursements of \$2,281 for emergency assistance to clients.

A statistical report for the first quarter of 1978 indicated 240 active cases involving 953 people.

Of this, 156 were family cases, 24 unmarried mothers, 17 adoptive homes, seven foster homes and 36 child welfare cases.

The new president appointed a budget committee of Father Quilligan, director of Alex Schenoff, treasurer, and John Lee, John Mink and Emanuel Valencia.

Kittel announced that the next board meeting will be presented to the United Way in June.

He appointed John Mink and James Patterson to serve on the PEDESTRIAN STRUCK.

Richard E. Howerton, 1926 Soen St., Madison, suffered minor injuries when he stepped onto McCambridge Avenue at Soen Street and was struck by the slow-moving auto of Leo Fulbright, Cahokia, last week. Fulbright took Howerton home, but Howerton later suffered pain to his right leg and head and went to St. Elizabeth Hospital for treatment.

## 'Roots' seminar

A workshop aimed at assisting people in tracing their family roots will be held at Southern Illinois University at Edwardsville May 13 and 20.

Sponsored by the Office of Conferences and Institutes (692-2660) at the University, the two-day workshop is titled "The Tracing of Family Roots." Sessions will meet from 9:30 a.m. until 3:30 p.m. in Room 3311 of Peck Classroom Building.

Registration for the course is \$15, which will not include the cost of lunch. Instructor is Stanley B. Kimball, professor of East European history at the university.

Purpose is to teach individuals the basics of genealogy so that they may research their own ancestors. Participants will learn to properly use a pedigree chart and a family group sheet. They also will learn how to best utilize available printed and manuscript sources.

They will be introduced to the special terminology and problems connected with Black genealogy. Kimball said, and become acquainted with little-known sources on the subject. Kimball has been a practicing genealogist since he was 14 years old. He holds a Ph.D. from Columbia University and has taught at several American and foreign educational institutions. A teacher at SIUE since 1959, he has developed and taught special courses in genealogy.

Workshop participants are being encouraged to take to the workshop such family information as birth, marriage, military and death records, old letters and other papers.

**RATED EXCELLENT.** Nine piano students of Sherry Mitchell have passed a series of examinations by the Illinois State Music Teachers Association and received ratings of excellent. They will be awarded pins and certificates at a May 21 piano recital. First row, from left, Ken Dauer, Lisa Strum, Rebecca Groves, Melissa Groves and Amy Hester. Back row, Tim Passig, Lori Buenger, Susan Buenger and Penny Strum.

## Piano students are rated excellent in state exam

Nine piano students of Sherry Mitchell have passed with "excellent" ratings the piano syllabus exam given by the Illinois State Music Teachers Association.

They will receive pins and certificates awarded by representatives of the state association at a recital to be presented by Sherry Mitchell students at the Johnson Music Store at 2 p.m. May 21.

The students to be honored are Ken Dauer, Lisa Strum, Rebecca Groves, Melissa Groves, Amy Hester, Tim Passig, Lori Buenger, Susan Buenger and Penny Strum.

## Car overturns

Joseph Dorogachi, 16, of 3148 Rodgers Ave., was injured when his auto and the car of Randy McCormick, 18, Edwardsville, collided on Route 203 (Nameoki Road) about 200 feet north of Maryville Road during the weekend.

McCormick was issued a ticket for failure to reduce speed to avoid an accident. Madison County sheriff's deputies said both autos were northbound when they collided and Dorogachi's auto then overturned and slid along the roadway.

Dorogachi was injured and was taken by his parents to St. Elizabeth Hospital for treatment.

**HONORED AS RECRUITER**  
Staff Sergeant Monty Montgomery, an Army recruiter who works out of the Army Recruiting Station at 1206 Niedringhaus Ave. in Granite City, has been named top urban recruiter for April by the U.S. Army St. Louis District Recruiting Command. The honor is based on both the quality and excellence of the young people Sgt. Montgomery has enlisted from the Madison County area.

A native of St. Louis, Sgt. Montgomery is a 1966 graduate of Fox High School in Arnold, Mo. He joined the Army in 1966 and has served on a number of assignments, including two tours of duty in Vietnam and an assignment at Fort Campbell, Ky., as an aviation inspector. He has earned 22 air medals, the Bronze Star and the Purple Heart.

## Woman struck in her home

Helen M. Johnson, 52, of 306 West Chain of Rocks Road, Lot 29, Mitchell, was assaulted by an intruder in her mobile home early this week.

The victim said she had just entered her home, put her purse in the kitchen, stepped in the living room and leaned over to remove her shoes when she heard a noise and looked up to see a man approaching her from the hallway.

When the man reached her, he struck her face with his fist, knocking her unconscious. When she regained consciousness, the man had left. Nothing was believed taken.

The rear door was found to have been pried open and drawers in the rear bedroom were searched. Mrs. Johnson suffered cuts and abrasions to her face and her glasses were broken.

She described her assailant as about 20 to 25 years old, weighing about 150 pounds, about 6 feet tall, and having long, straight, dark hair.

## Madison businessmen to aid 10-4 Explorers, rock-a-thon

The Madison Business Association (MBA) voted Tuesday morning to cooperate with the Madison Police Department and Explorer Post 10-4 in a community-awareness program to prevent auto theft and theft from autos.

The MBA also voted to assist Mrs. LaVelle Stephens with a Saturday, May 20, "Rock-A-Thon" in Madison to combat cystic fibrosis.

Bill Kinkel, president of Post 10-4, told the MBA, "Although crime has been on the decrease in Madison, auto theft and theft from autos is still a problem. During the month of May, and probably into June, we will try to remind people not to leave their cars unlocked and not to leave packages in plain view inside their cars."

"Leaving keys in the car for just a moment while a person dashes into the post office or a store is an open invitation to a car thief. Leaving packages in plain view in a car, locked or unlocked, is an open invitation to have a window broken out and the packages stolen," Kinkel said.

**ILLINOISIAN HONORED**  
James S. Jeffers, director of the Illinois Division of Vocational Rehabilitation, will receive the Handicapped American of the Year Award at the White House today.

"Jim Jeffers has been an inspiration to all disabled individuals and has influenced the perception of handicapped people by all of society," Gov. James Thompson said this week.

During May, merchants in Madison will display posters as reminders to their customers to lock their cars.

Mrs. Stephens explained that 82 percent of all monies collected goes into research to fight cystic fibrosis which strikes one of every 1,500 babies born.

She explained that there is no cure for the disease but early diagnosis and specialized treatment is lengthening lives. Volunteers in Madison will be at various stores "rocking" in chairs and accepting donations to fight this disease.

To encourage people to donate to the Cystic Fibrosis Foundation the MBA will have sign-up slips for people to register during the week, and will give away a rocking chair and other gifts on Memorial

Day, Tuesday, May 30. No purchase or donations are required to register.

Officers elected Tuesday for the coming year are: Wayne Scannell of Wayne's Mens Wear, president; Jack Lee, First National Bank in Madison, Vice-president; Pauline Harris of Automotive Safety, secretary; and Maryann William of Jack's Auto Repair, treasurer.

Directors elected are: Dave Leipsiger of Gilks, Jack Friedman of Friedman's Furniture and Hardware, Louis Nornberg of Red Crown Drive-in Liquors and Fred Barr of Reese Drug Stores.

The MBA held its first organizational meeting in the Madison Memorial Center in April 1977, and held its first official meeting on May 2, 1977.

## Kids. Win a Season Pass to Six Flags.

It's easy. It's fun. And best of all, you'll be helping out underprivileged children.  
It works like this: On Saturday, June 3, kids throughout the St. Louis area will be selling lemonade at stands located in their own neighborhoods. And the stand that raises the most money will receive a free 1976 season passes to Six Flags Over Mid-America.  
Simple? You bet. And in addition to season passes, there'll be Six Flags one-day tickets, portable radios, and top-selling record albums given away—over fifty prizes in all!

All the money raised will go for free care of underprivileged children at St. Louis Children's Hospital. So you'll be helping someone else while you're helping yourself. Now's the time to sign up. Just complete the coupon below and drop it in the mail before May 15. Details of the Lemonade Sale will be sent to you prior to Sale Day. Your sign material can be picked up at your nearest Schnucks store.

I'd like to win a Six Flags® season pass. Please sign me up for the Kids for Kids Lemonade Sale, June 3

## District Legion parade, conclave in GC May 21

The 22nd District, American Legion, Department of Illinois, has been called by Commander William Banks of Granite City to convene at the Granite City American Legion Home, 1825 State St., at 10 a.m. May 21.

The convention will be preceded by an 6:30 p.m. banquet May 20 and will be followed by a parade to start at 4 p.m. May 21.

James V. Kisaner, department commander, will be the principal speaker. Reports of

officers and committees will be presented, and officers will be elected.

Lucille Acin of Chicago, president, American Legion Auxiliary, Department of Illinois, will be the honored guest at the district Auxiliary convention to begin at 9 a.m. May 20.

American Legion Post 113 will host the annual convention activities this year.

State Commander Kisaner is a resident of Arlington Heights.

## Jazz clinic will precede Workshop on college degree alternate route

Composer-musician-conductor David Baker and his jazz quintet will be one of the featured groups at SIUE during the school's week-long jazz festival May 15-19.

The Baker Quintet will conduct afternoon clinics and workshops on Tuesday, May 15, and then will appear in concert at 8 p.m. in Meridian Ballroom in the University Center.

Another highlight of the day will be a performance by the Cleveland High School Jazz Band of St. Louis at noon in the University Center.

Head of the jazz department at Indiana University, Baker has participated in numerous tours, concerts, lectures and workshops in various countries.

In 1961, he toured Europe as a member of an all-star jazz orchestra organized by Quincy Jones. He has also played with other jazz groups, such as Stan Kenton, Maynard Ferguson, Lionel Hampton and the West Montgomery Sextet.

Competent on several instruments, including piano, tuba, trombone and bass, he has performed with the Indiana University Philharmonic; the Indiana University Opera Orchestra; the Indiana University Wind and Brass Ensembles; the Butler University Orchestra, Band and Brass Ensembles; and the Indiana Central College String Quartet.

Baker also has performed as soloist with the Boston Symphony and the Evansville Philharmonic. As conductor, he was invited to lead the Indianapolis Symphony and Civic Orchestra, and the Indiana University Concert Symphony Orchestra.

Baker's works, over 300 in number, consist of mass media types from religious to secular themes, "third stream" music, art music, and jazz. His works also range from orchestral ensembles to piano solos and other combinations.

The jazz festival at SIUE will begin Monday, May 15. The Baker Quintet will join the Nat. Adley Quintet, Metropolitan Jazz Ensemble, Willie Aikens Quintet, John Brooks Forecast Quintet, the locally-based Old Guys and University Jazz Ensemble, and SIUE jazz celebrity Jean Kittrell in five days and evenings of lectures, workshops and concerts on the university campus.

## Driver faces three charges

Steve Sexton, 17, of 1629 Delmar Ave., was arrested for leaving the scene of an accident, illegal transportation of alcohol and not having a driver's license after a car he was driving allegedly struck the parked car of Nick Tervasi, 2645 E. 27th St., in front of Tervasi's home at 7:45 p.m. Thursday.

Witnesses alleged the auto left the scene and a neighbor followed the car in his private car, stopping it at Edwards Street and Ridgeway Avenue. Police came to that location and arrested Sexton.

## Workshop on college degree alternate route

Southern Illinois University at Edwardsville has planned a workshop for men and women who wish to return to school for career and/or personal reasons, according to Louise Saunders, academic adviser (892-2242).

This is the ninth workshop of its kind, she said. It is scheduled Monday, May 15, from 9 a.m. until 2 p.m. in the General Studies conference room located on the first floor of the John S. Rendleman Building. Pre-registration deadline is Wednesday, May 10.

"This workshop will be a little different in that we will be showing a movie," Mrs. Saunders said. "The film shows that the mature student is not alone. It helps reinforce him psychologically for going to school."

The film shows students who have to go through all sorts of obstacles to attend school, such as families, jobs, etc. The film was made at the University of Oregon.

The workshop will cover alternate routes to a degree, entering college as a non-high school graduate, college credit for what you know, and financial aid programs.

Career-personal interest testing, group and individual counseling and optional follow-up orientation sessions, including registration and other campus procedures, are included in the program.

"I draw from other campus services to help in this program, such as Off-Campus Programs, Student Work and Financial Assistance, and the Admissions office," Mrs. Saunders said.

The workshop is being sponsored by the Gerontology Program and the General Studies Division at SIUE. Parking will be in the red deal student lots at no charge. Participants may bring a sack lunch or dine in the University Club restaurant or cafeteria.

## Held in Venice for extradition

Tracy T. Allbritton, 64, St. Louis, was being held this week in the Venice City Jail, awaiting extradition to Perry County, Mo., where a warrant alleging auto theft is on file, Venice police said.

Allbritton was arrested on McKinley Bridge at 3:10 p.m. Friday after several motorists said his car was weaving and had forced some cars to swerve out of the way.

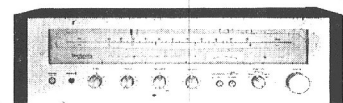

When police arrived, the auto was attempting to drive through the toll gates, after having made several unsuccessful approaches.

A license check alleged the car had been stolen from Perryville, Mo. Allbritton was held in lieu of \$5,000 bond. He was charged in Venice with driving while his license was expired.

## Blood pressure detection clinic

(Tri-City Area YMCA) A free high blood pressure detection clinic sponsored by the "Y" and the Red Cross is in progress at the YMCA, 2001 Edison Ave.

One-hour detection sessions are set for 10 a.m., 2 p.m. and 7 p.m., May 8-10, 12-22-23-24-30. High blood pressure can cause cardiovascular problems leading to a stroke or heart attack. It can be controlled simply, but many are not treating it the way they should.

Alarming statistics, compiled by the National Institutes of Health High Blood Pressure Education Program, show that of the people who have high blood pressure, only about 29 percent do not know they have the disease.

About 19 percent are under treatment but do not have it under control, and 23 percent are not treating it at all. It is these latter categories to which the Program is devoting its educational efforts during May, National High Blood Pressure Month.

Graham W. Ward, coordinator of the national program, says, "We must convince and help people with high blood pressure to follow the treatment prescribed by their physicians. Too many people take their pills for a while, and then quit after a few months."

"They are in danger of dying prematurely or suffering disability or illness. We know that if people are under treatment for high blood pressure they can live healthy lives."

He cites four common misconceptions which contribute to a patient's dropping therapy. First, patients confuse controlling high blood pressure with curing it. After they reach a goal blood pressure reading, patients think they don't have to take their medication any longer. There is no cure for the disease, but often only a pill a day will permit them to lead normal lives. Second, according to Ward, is that many people believe high blood pressure has

symptoms. Since they don't feel "sick," they don't treat the disease. He points out that most high blood pressure has no symptoms and a person can't tell when his blood pressure is up. "Once a person has the disease he will probably have it for life and must treat it every day, even though he feels great."

A third mistake is confusing hypertension with "tension." Patients who act on this error take their pills only when they feel tense or when they feel dizzy or have a headache. The pills, intended for daily use, become an occasional medication, like aspirin, for the relief of symptoms.

Fourth, as Ward points out, is believing a person can choose a treatment plan. "In addition to pills, physicians sometimes prescribe that a patient lose weight, stop smoking, exercise more, and limit salt," he says. "But often the patient assumes he has a choice."

"Many people follow a part of their therapy and think their blood pressure is under control when it is not. In most cases, patients do not have a choice of treatment. If a doctor prescribes medication, it's just as important to take it regularly as it is to do the other things he recommends."

During High Blood Pressure Month hundreds of national and local organizations, civic and medical groups are involved in educating the general public, patients, and health professionals on the nature of the disease and its treatment.

The main emphasis of this year's High Blood Pressure Month will be on convincing patients to take their pills as their physicians advise. That's why, according to Ward, the slogan for May is, "High Blood Pressure... Treat It For Life."

## This area cited as horseradish capital of nation

By STEPHEN E. SPENCER  
Granite City City High School

South student  
(Article in May issue of Illinois History, a publication of the Illinois State Historical Library)

Since the early 1900s, Madison and St. Clair counties have been the horseradish center of the United States.

Much of the nation's supply of horseradish is grown and processed in Illinois. The sandy soil of the Mississippi River bottom gives the vegetable an excellent flavor and quality.

Horseradish is planted in late spring and is left in the field until the first hard frost. The root is preserved best if left in the ground, and it can withstand temperatures below freezing.

Frequently in the early winter, groups of high school students help the farmers dig the crop.

Harvesting may continue until March, when the ground is prepared for the new crop. After the crop is removed from the ground, it is kept at a temperature of thirty-three degrees.

If it is kept at a warmer or colder temperature, the root will change color and lose its flavor. The average root weighs from one to one and three-fourths pounds.

Worldwide consumption of horseradish changes little from year to year. Madison and St. Clair counties are proud to be known for their horseradish. On your next trip to New York or Paris, remember that the horseradish sauce served with your steak or seafood was probably grown and processed in Illinois.

There are three U.S. Department of Agriculture grades of horseradish.

Most of the crop is No. 1 grade. It is packed in fifty-pound burlap bags and then retailed in grocery stores as individual roots.

The No. 2 grade is shipped primarily to large food processing plants throughout the United States. There the roots are washed, ground, processed, and packed in jars.

The No. 3 grade, called unclassified, is prepared for use in sauces, dips and sandwich spreads.

A small processor will use approximately 20 fifty-pound bags of roots per month. A large processor will use forty thousand pounds per month.

In the Madison County area, Bill Handwerker is one of the largest growers and processors. The typical grower averages 20 acres of horseradish in addition to other crops.

About one tenth of the crop is used to supply plants for the next growing season. The coastal regions of the United States use most of the horseradish because it serves as a condiment for seafoods.

Horseradish is used in Jewish religious ceremonies and in medical research.

## Thistle control, home landscaping explained

By RON CORNWELL  
County Agricultural Adviser

Musk thistle and bull thistle are a problem in some areas of Madison County.

Both Musk thistle and bull thistle are perennial plants. The plants form a basal rosette the first year and produce flowers and seed the second year. The plant dies after the second year.

Early May is the best time to treat while the thistles are still in the rosette stage. In this stage, the plants are susceptible to 2, 4-D.

Apply the 2, 4-D volatile ester at one to 1½ quarts per acre in 20 or more gallons of water. For spot treatment, add one quart of 2, 4-D to 25 gallons of water.

Spray until the plant is moist. Do not graze dairy cattle for seven days after treatment.

+++ If you have pasture that is not being used, and good fences, sheep may be well suited to your farm.

Sheep produce two crops a year. These crops are lambs and wool.

Individuals with small acreage might want to consider sheep because of the low investment, as compared to other types of livestock, to get started in the business.

A small flock costs less and you can give it better care. There is generally less chance of disease and parasites.

If you find that you like sheep and do well, you can enlarge your flock by keeping the best ewe lambs. You can double the number of breeding ewe in your flock in a few years.

To provide the beginner additional information in sheep production, we have a U.S. Department of Agriculture bulletin available at the Agricultural Extension Office entitled, "Raising a Small Flock of Sheep."

+++ Trichinosis is not a major problem in swine. There has been recent interest in this topic, so I'll cover some of the facts pertaining to the subject.

A study in 1967 showed less than 0.2 percent of grain-fed hogs and only 0.5 percent of hogs fed cooked garbage were infected with trichinae.

Hogs raised in Madison County do not have to be fed garbage. To reduce the problem in areas where garbage is fed, all states require that garbage intended to be fed to hogs be heat processed prior to feeding.

+++ Swine get trichinae when they eat scraps of pork or the leach of dead pigs, dogs, cats, rats or mice.

People are not in danger of getting trichinosis unless they eat raw or underdone pork. Pork heated to 137 degrees F throughout will destroy any trichinae present. The suggested internal temperature for best flavor in fresh pork is 170 to 185 F.

We have available at the Madison County Extension Office a leaflet on "Trichinosis," free upon request.

+++ Spring is the time of year most people start making plans for changes in their home landscape.

To help homeowners in Madison County with their landscape planning, we have a number of publications from the University of Illinois available to you.

Just recently, a new series of landscape planting plans became available. Each of these plans has a drawing of a landscape plan indicating plants that might be used in various locations in the home landscape.

The plan includes a suggested planting list with two or three alternative plants that might be used for each plant suggested on the plan.

+++ The plans available are for a one-story ranch home, a split-level home, a two-story Victorian or farm home, an early American restored home, and a two-story Cape Cod home. The plans are available for 35 cents each.

For additional help, the book "Landscaping Your Home" is available for \$4.

## Corporate and foreign farm ownership studied

(Press-Record Washington Bureau)

Who owns rural Illinois and America? How much farmland is owned by corporations? How much is held by individuals?

Do those individual owners till the land, or are they distant absentee owners? The U.S. Department of Agriculture does not know the answer to these and other questions involving farm land ownership.

But it hopes to get a better handle on land ownership with questionnaires now being sent to about 52,000 sites selected by the Soil Conservation Service.

The nationwide survey is going to owners of privately-held land in both rural and urban areas, but the focus will be on rural lands, according to Robert Otte, an economist in the USDA's Natural Resource Economics Division.

The first such national sampling done since 1945, the survey differs from the agricultural census which is done every five years among farm operators.

"That is only partial," Otte said of the census. "It does not get to the owners who are not operators."

Survey results, when they come in and are compiled next fall, should enable the USDA to better estimate how many acres are owned by operators, absentee owners, family corporations and other forms of corporations.

It also will provide data on the income, occupation, race, sex, residence and citizenship of the individual owners.

"One of the longstanding concerns has been the distribution of the land — how much of it is in large, small or middle size holdings," Otte said.

"Another of the concerns is the concentration of ownership and the degree of corporation ownership."

One concern which will not be addressed directly is the degree of foreign ownership of American farmlands.

"This just would not go deeply enough to get any kind of picture of foreign ownership," Otte said.

The survey, for example, would tell the USDA that a

### Promoted to rank of senior airman

The U.S. Air Force has promoted William K. Asher Jr., whose parents are Mr. and Mrs. William K. Asher Sr., 2020 Pine St., to the rank of senior airman.

Airman Asher is serving at Plattsburgh AFB, N.Y., as an integrated avionics component specialist.

He is a 1975 graduate of Granite City High School North. His wife, Jeanene, is the daughter of Mr. and Mrs. Elbert Lewis of 1631 Minerva, Granite City.

## Michigan scholarship to Edwards

Russell P. Edwards, Rural Route Two, Box 712E, Granite City, has been chosen for a college-sponsored four-year merit scholarship.

Today's announcement by the National Merit Scholarship Corporation related that Edwards, a Granite City High School North student, will attend Michigan State University. The Granite City man will study computer science.

Science Club treasurer and production vice-president of his Junior Achievement company, Edwards is described as a member of the National Honor Society who attended the state mathematics contest for two years. He was invited to a science symposium.

Michigan State, the nation's pioneer land-grant university, offers nearly 200 different undergraduate programs and provides special opportunities for superior students through its Invitational Honors College.

Each Honors College scholar follows a personal curriculum arranged in consultation with a faculty adviser. Many freshman-sophomore courses are taught in living-and-learning residence halls.

Today's listing contained 1,786 winners of four-year merit scholarships sponsored by 190 universities. The commitment for each award ranges from \$1,000 to \$6,000 for the winner's four years of undergraduate study.

### Fraud study transferred

Gov. James Thompson has announced that a newly-created 39-member fraud investigation unit from the Department of Law Enforcement has begun intensive efforts to stop Medicaid fraud in the state's welfare system.

The unit was created after Thompson's welfare fraud task force recommended that responsibility for conducting criminal fraud investigations be transferred from the Department of Public Aid to the Department of Law Enforcement.

"Fraud in the state's welfare system is a governmental disgrace," Thompson said. "This new unit will put the investigation of fraud where it belongs — in the hands of experienced investigators who have the expertise to conduct thorough investigations and put criminals in jail."

## I-270 traffic law violators will be caught—troopers

After an absence of three months due to the harsh weather of the winter months, the Concentrated Traffic Enforcement Program has been resumed by Illinois State Police. Troopers will be riding patrol in areas where statistics indicate a high accident rate. The project will utilize 28 five-member teams made up of off-duty troopers re-hired at their regular rate of pay. Emphasis will be placed on enforcing laws against moving, hazardous violations occurring in identified areas. The specific violations have been determined to be factors that cause accidents, Captain Albert J. Bertagnoli, commander of District 11, said. Target areas in this district

are Illinois 100, U.S. 67, Illinois 267 from Alton to Jerseyville and Alton three miles north of Grafton; Interstate 270 from the Illinois-Missouri border to mile post 15.

Also, I-55 from Troy to Fairmont City; Illinois 111 and Illinois 157 from I-270 to I-55; Illinois 159 from Collinsville to Belleville and then on Illinois 13 to Illinois 157; and U.S. 50 from Trenton to Marion County line.

"The goal of a concentrated traffic enforcement program is to reduce accidents and the resultant deaths, injuries and property losses," the commander said.

"The result of the deployment of personnel during specific times at the aforementioned locations should cause each motorist to believe that traffic officers are everywhere — and that if he violates the law he will be caught."

PASTOR GARY CARSTENS SUNDAY... 7 P.M. THURSDAY... 7 P.M. 259-5374 ALL EVENING SERVICES 200 W. TYDEMAN ROXANA, IL

In recent days, I've sensed in my spirit the need to share with the community what God is doing of New Testament Fellowship. There are souls coming to Christ continuously. As I look over the congregation, I'm reminded how many of these people could not have sat in a worship service a year ago. On my right is a former cynic who laughed at the thought of being in church. Just before me is a divorcee who, just last summer, tried to take her life after her marriage and home fell apart. Now she has found meaning and happiness in Christ. To my left is a young man who, a year ago, was trying to find meaning in life by smoking marijuana. Now he has found meaning in Christ. Another couple sits in front of me who, a year ago, were divorced; and now they are married and learning forgiveness and love through Christ. There is an endless list of those whose lives have found purpose and happiness in Christ.

The fellowship is filling up with people, young and old, who have looked in every direction — the cults, the occults, oriental mysticism, philosophical, etc. — until someone (the Holy Spirit) directed their attention to Jesus Christ.

Every person who has come to Jesus Christ this past year of New Testament Fellowship has been a direct result of the work of the Holy Spirit. There has been no use of gimmicks, no giveaways, no special attendance drives. We have simply followed the leading of the Holy Spirit. No one person can take credit for the gathering of the people that is taking place. Actually, everyone is involved. We are all recognizing, with growing humility, the fact that the Holy Spirit is unifying us under His direction. Every strato of society is represented in our meetings.

It must be understood that we do not consider New Testament Fellowship to be "The Church." We are just one small part of His Church, which is made up of all Born-Again Believers. What God is doing in our midst. He is also doing in other churches all over the world.

As a pastor, I must confess that everything that is happening — I had once tried to "make" happen. I worked very hard to do a work "for" God. At the point of leaving the ministry, God spoke to me about "my" work. Psalm 127 became living word. The Scripture went from my head to my heart: IT TURNED FROM KNOWLEDGE TO LIFE.

1. "EXCEPT THE LORD BUILDS THE HOUSE, THEY LABOR IN VAIN WHO BUILD IT."

2. "IT IS VAIN FOR YOU TO RISE UP EARLY, TO TAKE REST LATE, TO EAT BREAD OF ANXIOUS TOIL, FOR HE GIVES (BLESSINGS) TO HIS BELOVED IN SLEEP."

God spoke to me about my need to get out of the way and let Him build the church. I realized that I'm not doing a work "for" God. Either He does the doing, or it doesn't get done. With God nothing shall be impossible.

### Crafts fair

The craft shop at SIUE will sponsor its fourth annual spring crafts fair May 10 and 11, according to Kenneth Blazek, coordinator. Artisans from many areas of the Midwest, along with craftsmen from other parts of the country, will be on hand to demonstrate and exhibit their works in front of the University Center. Handcrafted items in the fair will include pottery, leatherwork, lithographic prints, jewelry, tole painted articles, and other varieties of handmade items.

Scheduled during the week of Springfests activities, the outdoor fair is free and the public is invited to attend.

## Arrest 2 boys for possession of marijuana

Two students at Granite City High School South, both in possession of marijuana cigarettes, were apprehended by school monitors Monday afternoon and taken into custody by Granite City police.

At 1:20 p.m. Monday, a 16-year-old youth admitted selling a marijuana cigarette to another student for \$1, reportedly telling the purchaser the contents of the cigarette were of Columbian origin, instead of Mexican.

He had an additional 21 cigarettes in a metal box, which he reported purchasing from another youth for 50 cents each. He was turned over to the juvenile officer, pending charges of illegal sale and possession of marijuana.

Police took into custody at South High at 2:20 p.m. Monday, a 14-year-old youth, who had 16 marijuana cigarettes in a hard pack in his possession at school.

The youth told officers he had found the pack on the State Street side of Wilson Park and had sold two or three of the cigarettes for \$1 each. He also was remanded to the juvenile officer for further action.

**A NEW CONCEPT FROM TELL CITY**

Why didn't they think of it before? All of us know someone who struggles to get up from a low-seated rocker or chair. Someone too proud to ask for help. Now, Tell City has built the help right into this High 'n Easy Rocker. Runners are flatter, have a backstop. So they won't rock back as far. Won't tilt forward when you put weight on the arms. You can push going up, brake going down. Seat is higher, too, so you don't go down as far. It's comfortable, too—with a high back to lean your head against. And curved spindles to fit your spine. Just right for less active people who want a rocker that's less active. Buy it for someone you love. Even if that someone is you.

**The High 'n Easy Rocker**  
• Professionally engineered for less active people.  
• Extra-sturdy construction.  
• Made of Solid Hard Rock Maple.

## Child injured as two cars collide

Rebecca J. Perigo, 2 years old, 2165 Bern Ave., sustained a minor injury Monday when the car in which she was a passenger was struck by another vehicle in the 3700 block of Nameoki Road.

The mishap occurred when the southbound auto of Thomas S. Ryan, 18, of 2211 Edison Ave., reportedly struck the rear of a vehicle halted for traffic, operated by Karen J. Perigo, 2165 Bern Ave., pushing it into another waiting car, driven by Richard A. Bilderback, 20, of 118 Briarcliff Drive.

Ryan was cited for failing to reduce speed to avoid an accident and is to appear for a hearing by May 27.

**16,000 PUBLIC AID CLIENTS OBTAIN JOBS**  
Federal government officials have commended the Illinois Work Incentive (WIN) program for a "dramatic change in program effectiveness." The program helps AFDC (Aid to Families with Dependent Children) recipients find jobs and thus reduce welfare expenditures. From April 1977 through March 1978, 16,000 AFDC clients were placed in jobs under the program, with a \$22,395,000 annual saving in welfare expenditures. Recent figures showed that 86 percent of those employees remained on the job.
